From the President

Dear Alumnae, Parents and Friends of Notre Dame Academy,

Greetings to you and your family. It is a pleasure to present the 2014 Fall/Winter issue of *The Notre Damian*. This issue serves as our annual report for the 2013-14 school year. It includes news of our alumnae, information about the success of our school year, and acknowledgements of the many generous donors who help make an NDA education possible to so many young women. Our school theme for 2013-14 was "Let us journey together in hope" - excerpted from the SND educational vision reflecting our deeply held belief in the value of working together as a faith filled community. In reading this issue, I hope you will find that our 2013-14 school year was a

very productive journey – filled with God's goodness and provident care.

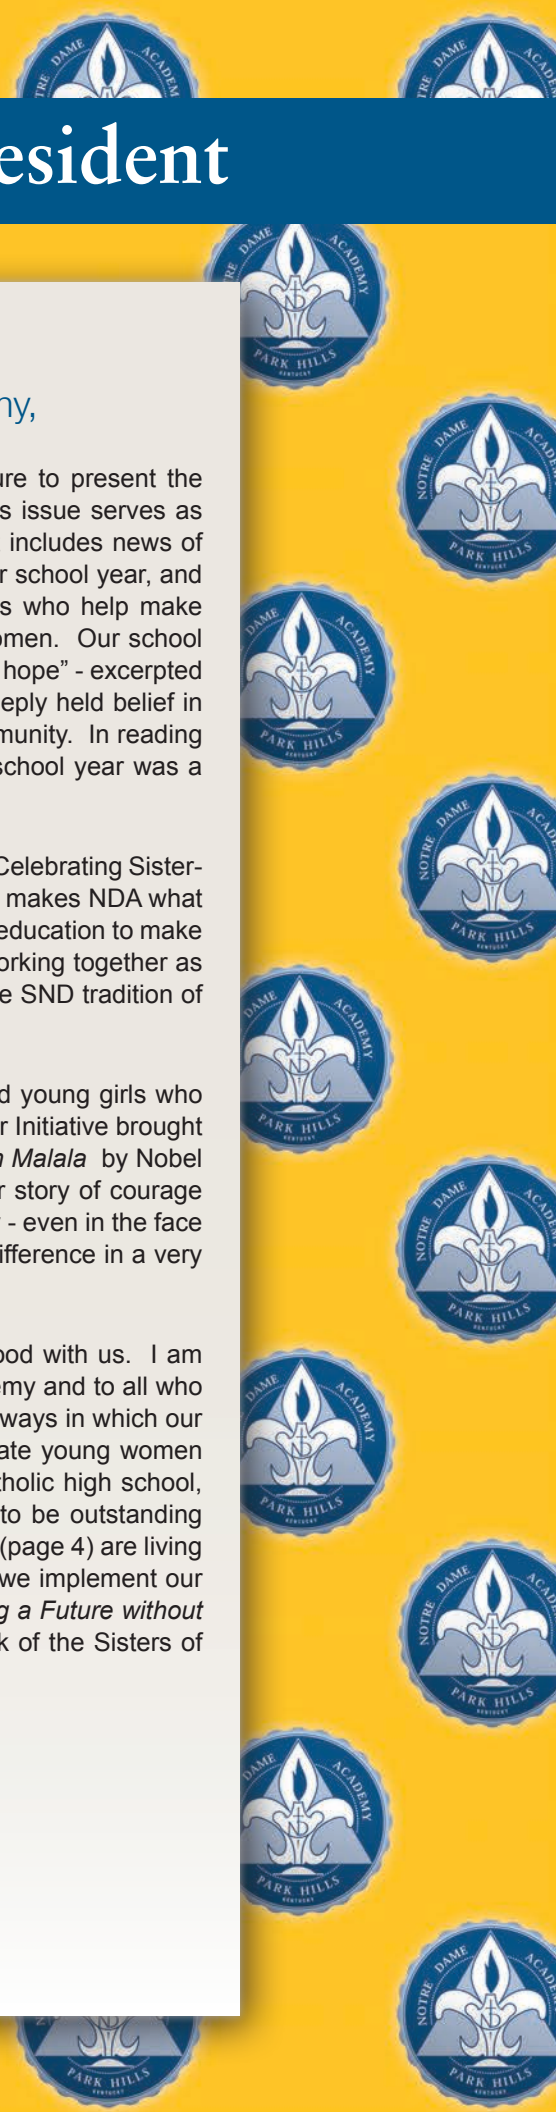

We began this 2014-15 school year with grateful hearts embracing our new theme, "Celebrating Sisterhood." Our theme celebrates the Sisters of Notre Dame and the SND charism that makes NDA what it is today. It also celebrates the legacy of over 10,000 alumnae who use their SND education to make a difference in our world in so many ways. Everyday we embrace this theme in working together as a community of 579 students, 72 faculty and staff, and 533 families dedicated to the SND tradition of Catholic education.

In "Celebrating Sisterhood", we also celebrate the global sisterhood of women and young girls who realize that education is vital for strong communities. This year our Common Reader Initiative brought students, faculty and staff together in a shared reading experience of the book *I Am Malala* by Nobel Laureate Malala Yousafzai (see story on page 2). In her book, Malala shares her story of courage and hope as she fought for the right to an education for all young girls in her country - even in the face of life-threatening resistance. We celebrate Malala as a young woman making a difference in a very significant way.

As you read through the *Notre Damian*, I invite you to celebrate our NDA sisterhood with us. I am very grateful for the opportunity to serve as the 3rd president of Notre Dame Academy and to all who make it such a hopeful journey. It is a humbling experience to witness the multiple ways in which our students, faculty, staff, parents, alumnae and friends support our mission to educate young women to make a difference. Our shared vision for NDA is that we will be a premier Catholic high school, providing excellent academic and co-curricular programs that prepare graduates to be outstanding female leaders serving our world. Our 2014 Women Making a Difference honorees (page 4) are living examples of this vision. Together we will continue to make this vision a reality as we implement our 2013-18 Strategic Plan (*Building Confidence, Celebrating Excellence, and Enabling a Future without Boundaries*) and continue the tradition of academic excellence that is the hallmark of the Sisters of Notre Dame.

May you know God's goodness each day,

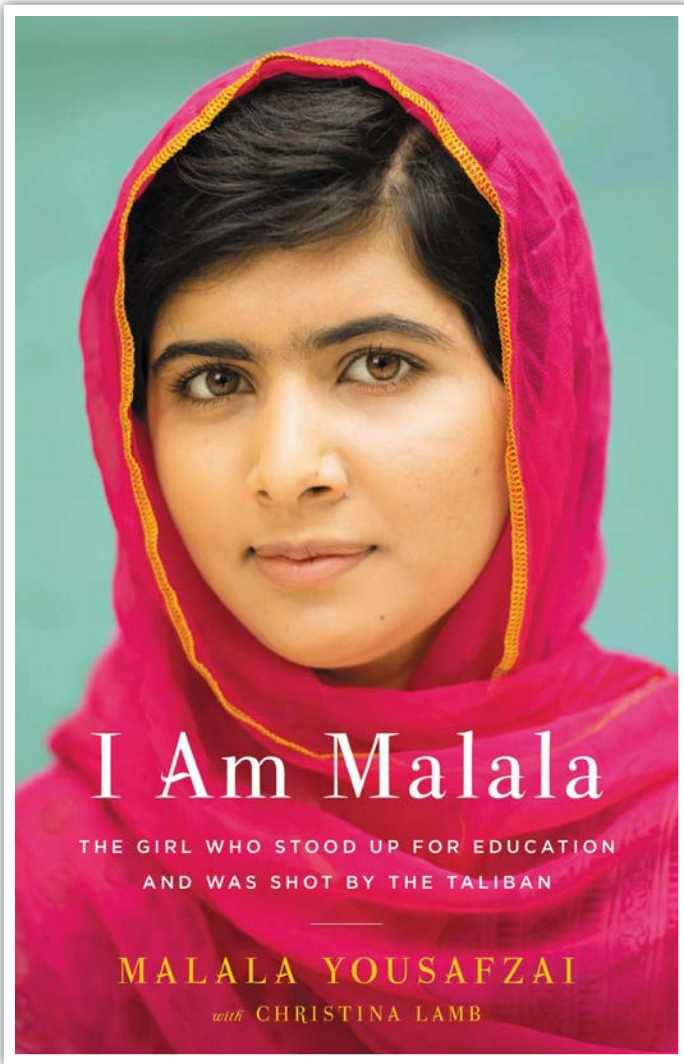

Laura Dickman Koehl '75

Celebrating Sisterhood

A COMMON READER INITIATIVE

I AM MALALA

The close bond shared by Notre Dame Academy students is a time-honored tradition that deserves to be recognized, so this year the NDA community is *Celebrating Sisterhood*. This theme has correlated very well with many activities and events of the 2014-15 school year, especially the inception of NDA's Common Reader Initiative.

“One book, one pen, one child, and one teacher can change the world.”

Malala Yousafzai

In order to provide a shared academic conversation and an intellectual experience for NDA students, faculty, and staff, Notre Dame Academy implemented a Common Reader Initiative this school year. The objective of the program is to promote reading, critical thinking, and meaningful discussion. Beyond these goals, NDA hoped to foster integrated learning and encourage civic and service-learning activities. Though the aspirations for this Common Reader Initiative were high, the program was very successful reaching each of its goals and providing members of the NDA learning community with the camaraderie that transpires with a shared reading experience.

Before the start of school, students, faculty, and staff all had the summer reading assignment: *I Am Malala* by Malala Yousafzai. The story is that of young Malala Yousafzai, who spoke out when the Taliban took control of the Swat Valley in Pakistan. Malala refused to be silenced and fought for her right to an education. In retaliation, the Taliban sought to kill her. On October 9, 2012, a Taliban fighter boarded her school bus, asked, “Who is Malala?” and shot her in the head at point-blank range. Few expected her to survive. Malala’s miraculous recovery has made her a global symbol of peaceful protest and, at the age of seventeen, the youngest Nobel Peace Prize winner in history.

On August 22, the NDA community celebrated *Malala Day*. A group of 35 students, faculty, and staff worked to plan this special day of discussion and activities relating to the story of Malala Yousafzai and celebrating the NDA Common Reader Initiative. The day began with a student assessment followed by group discussions and the viewing of Malala's address to the United Nations. Throughout the afternoon, learning sessions were presented on all sorts of interesting topics relating to the book, *I Am Malala*. One of these sessions was a presentation by Sr. Rita Geoppinger entitled *Empowerment of Woman - Worldwide*. Another session was the presentation of the Malala documentary *Class is Dismissed in the Swat Valley - The Death of Female Education*. Other learning sessions included:

- Basics of Muslim Spirituality and Prayer
- Understanding Pakistani Customs Regarding Women
- Malala's Father – TED Talk and Discussion
- Letter Writing Session – to Malala, Local & World Leaders
- Pakistani Food
- Pakistani Story/Mythology
- Pakistani Jewelry
- Awareness Art
- Pakistani Music Film

“This common reader initiative fully supports NDA’s educational mission and vision as a school sponsored by the Sisters of Notre Dame, especially in exploring the story of a young woman’s commitment to getting an education,” said NDA President Dr. Laura Koehl.

“This shared experience has encouraged global awareness and critical thinking at NDA. It provides a real life example of a young woman making a difference in our world.”

Though seemingly worlds away from her, every member of the Notre Dame Academy learning community can enjoy the opportunity to embrace Malala as a sister in mission, one who lives the value of educating women to make a difference.

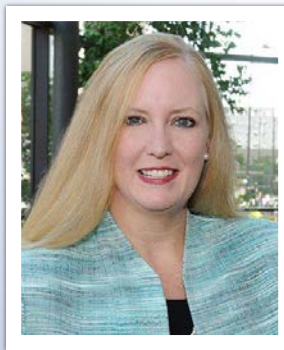

Notre Dame Academy's annual Women Making a Difference luncheon honors Notre Dame graduates who are making a difference in the world. This year we honor three such women whose contributions to their communities, both professionally and philanthropically, are a testament to NDA's proud heritage. Meghan Sherder Olson, Julia B. Meister, and Wendy Kohlhepp Vonderhaar will be honored at the annual luncheon on March 19, 2015, at Receptions in Erlanger.

Women Making a Difference is not only a wonderful opportunity to honor such deserving alumnae, but it is also a fundraiser that helps us continue our mission of educating women to make a difference. We hope you will attend this event to support NDA and our honorees. A reservation form may be found on page 23. There are several openings for sponsorships as well. Please contact the Advancement Office at 859-292-7729 to support this important event.

Students Learn the Dangers of Distracted Driving

On November 11, Notre Dame Academy hosted a Distracted Driver Program to show students the harsh reality of texting and driving and driving under the influence. Thanks to the generous support of St. Elizabeth Healthcare, NDA was able to bring this subsidiary of the National Save a Life Tour to its school community.

The Distracted Driver program began with a presentation which included a video showing the dangerous and sometimes fatal consequences of distracted driving. Juniors and seniors then had the opportunity to experience the hands-on portion of the program seated at a simulated driving test to experience what can happen with a distracted driver behind the wheel.

NDA parents were invited to attend a special presentation on the dangers of distracted driving that evening. In addition to the presentation, parents had the opportunity to get behind the wheel and experience the same simulated driving tests that students participated in earlier in the day.

“Texting and driving has become an increasingly large problem especially in regard to young drivers,” said NDA President Dr. Laura Koehl. “In bringing the Distracted Driver Program to our school community, we hope to educate not only our students but also our parents, faculty, and staff on the serious consequences of distracted driving.”

NDA STUDENTS RECEIVE NATIONAL MERIT RECOGNITION

Officials of National Merit Scholarship Corporation named NDA senior Hannah Ziegelmeier a semifinalist in its 2015 competition. In earning the distinction of National Merit Semifinalist, Hannah is among the 16,000 semifinalists named in the National Merit Scholarship Program’s 60th competition recognizing each state’s top students. A total of 1.4 million high school juniors entered the program by taking the 2013 PSAT test.

To become a finalist in the National Merit Scholarship Program, Hannah must now submit a scholarship application that includes information about her academic records, co-curricular activities, leadership abilities, honors, awards, and employment. By doing so, she will have the opportunity to continue in the competition for some 7,600 National Merit Scholarships worth more than \$33 million to be offered next spring.

Rachel Peavler and Lilly Morgan have been named Commended Students in the 2015 National Merit Scholarship Program. Although they will not continue in the 2015 competition for National Merit Scholarship awards, Commended Students placed among the top five percent of more than 1.5 million students who entered the 2015 competition by taking the 2013 Preliminary SAT/National Merit

Scholarship Qualifying Test (PSAT/NMSQT).

“We are very proud of these NDA students and their recognition in the National Merit Program,” said NDA President Dr. Laura Koehl. “We congratulate each of these young women and their families as we celebrate these honors.”

PANDAS UNITE TO MAKE A DIFFERENCE

Notre Dame Academy senior Shannon Wilson battled brain cancer two years ago, and this fall she enlisted an army of NDA Pandas to keep up the fight. Shannon gathered over 250 friends and family members, most from the Notre Dame Academy community, to walk with her Sunday, October 26, in the University of Cincinnati Walk Ahead for a Brain Tumor Cure. The team called themselves the *Shannanagins*. Together they raised \$11,400 toward finding a cure for brain cancer. Far more than a 5K walk for Shannon and her Panda friends, it was their opportunity to make a difference in the lives of others by helping to end brain cancer.

The project is very personal for Shannon. At the end of her freshman year at NDA, she was diagnosed with a brain tumor. In the summer of 2012, Shannon underwent a 13.5 hour surgery to save her life. “I believe that God woke me up from surgery for a reason,” says Shannon. “It has been a very rocky two years, but I know it is my job to raise my voice and fight for an end to brain cancer.” She adds, “For me, this difficult experience has turned into a source of strength and has given me a reason to fight for all of those who weren’t as lucky as me to wake up on that June night.”

“Shannon is an inspiration to all of us. Her fighting spirit and determination are absolutely amazing,” says Notre Dame Academy President Dr. Laura Koehl. “We are proud of our NDA students. By supporting Shannon in this effort, they are living the mission of Notre Dame Academy and making a difference in the world.”

Shannon and her *Shannanagins* were awarded first place for having the largest team at the event and second place for the amount of donations raised. The team’s success relied not solely on the numbers that crisp fall morning but on the spirit of sisterhood that brought these Pandas together in support of one of their own.

Almost, Maine - A Complete Hit!

Notre Dame Academy and Covington Catholic High school opened their theatrical season with a real hit. *Almost, Maine* set in a fictional town on a snowy winter’s eve, is a series of romantic vignettes about love and relationships that warmed the hearts of its audience. Theatre goes found *Almost, Maine* to be one of the most charming and captivating plays they had ever seen. The show offered a refreshing sweetness and wholesomeness.

Congratulations to the cast, crew, and Ms. Perrino on their first hit of the season!

extravaPANDAz

celebrate the sisterhood

Notre Dame Academy's 2014 extravaPANDAz was held on November 1, at the DoubleTree by Hilton Cincinnati Airport. The event was a tremendous success and a wonderful celebration of community for NDA parents and friends. The evening began with cocktails and a silent auction, including many outstanding items for bidding. A special performance by NDA's PandaTones and Dance Team was featured before dinner. A live auction and the annual raising of the Panda Paws followed. Attendees of this year's extravaPANDAz were treated to an after-party with *Floyd and the Walkmen* following the event.

The night was hugely successful, raising over \$80,000 to help fill the gap of tuition assistance. The annual "Raise Your Panda Paw" component netted over \$20,000. This amount will go towards the purchase of a Panda shuttle bus to transport students to extracurricular activities.

Thank you to all who supported the event with your generous donation of time, talent, and treasure. A special thanks to the 2014 chairpersons, Kathleen Johnson, Wendy Vonderhaar '86, and Kim Hellmann. Their hard work and creativity revitalized the annual event, giving it a fresh new look and an energized atmosphere.

In Loving Memory

The Notre Dame Academy Community extends its deepest sympathy to the families of our alumnae on the death of their loved ones. These individuals will be remembered by the NDA students and faculty during their monthly Masses throughout the school year. Advancement

Dear Alumnae, Friends, and Parents of Notre Dame Academy,

First of all, thank you to everyone who supported our ExtravaPANDAz event! Our Co-Chairs and Planning Committee did a wonderful job planning a truly enjoyable event for our alumnae, parents, and friends. The event raised over \$80,000 to benefit NDA, including \$20,000 to purchase a bus for use of student clubs and teams.

This issue of the Notre Damian is our Annual Report issue. One of the wonderful elements of my position at NDA has been seeing people give generously to Notre Dame Academy, a school they love so much. NDA is truly blessed to be the recipient of incredible generosity. In turn, I feel blessed to have been able to tell the NDA story and witness such heartfelt giving. It is bittersweet preparing to move on from here.

As a student at NDA, I was instilled with the desire to make a difference in the world. In fact, that mission brought me back to NDA as Advancement Director and will continue with me in my next adventure. In closing, I thank the alumnae, friends, and parents, as well as NDA staff and faculty who support Advancement efforts at Notre Dame Academy. I'd also like to thank my family for supporting me, not only in this role but always.

Smiles,

Anna Hehman

YOUR SUPPORT AT WORK: Tuition Assistance Program

The Annual Appeal is an important component of our development efforts as it bridges the gap between tuition and the cost of educating our students. Accessibility of a Notre Dame education is paramount. We strive to keep tuition affordable for all who attend and work diligently to invest in our tuition assistance fund. In the 2013-2014 school year, over 33% of our students were on some form of tuition assistance. Your Annual Appeal dollars help make that possible.

Tuition Assistance: \$280,749

Work-Study Program: \$123,887

Academic Scholarships: \$72,500

Endowed Tuition Grants: \$53,500

NDA/CCH Siblings & Multiple Daughters Programs: \$100,250

Renewable Grants: \$44,300

FAMILY/NAMED SCHOLARSHIP

Creating a Legacy

Scholarship donors are highly valued members of the Notre Dame community. Not only do they provide scholarships and grants to extend educational opportunities at NDA; they also create a legacy to preserve their names in grateful memory.

A named scholarship may be established with a minimum gift of \$20,000. These monies become part of the Endowment Fund, which is invested to generate income. Annually, five percent of the scholarship fund is disbursed as scholarships and grants or is applied to programming, as determined by the donor at the time of the gift. This disbursement method ensures that established scholarships will continue to benefit both current and future students.

The endowment allows Notre Dame Academy to provide more need-based tuition assistance and to make an NDA education more possible for all who wish to attend. For further information about endowments and establishing a scholarship, contact NDA President Dr. Laura Koehl at (859)292-1842 or by email at koehl@ndapandas.org.

THANK YOU TO OUR DONORS

Thank you to the following individuals who have generously supported our 2013-14 Annual Appeal and other funds through the year. Your investment helps us close the annual tuition gap of \$1,500 per student at Notre Dame Academy. The Sisters of Notre Dame founded NDA with the mission to keep tuition affordable so that all who wish to attend are able to do so. This is why our Annual Appeal is so important.

Please note: Gifts included in this list were donated to the Annual Appeal and other NDA funds between July 1, 2013, and June 30, 2014, NDA's fiscal year. Gifts given after June 30, 2013, will be recognized in next year's Annual Report.

NOTRE DAME ACADEMY
Educating Women to Make a Difference

PANDAS "CAN" THE COLONELS!

Students at Notre Dame Academy claimed victory this year in the annual NDA/CCH Canned Food War. The NDA Pandas pulled out all of the stops collecting 14,468 canned goods. That is more than double the amount collected by the CCH Colonels.

While winning the canned food war and having the CCH boys come to NDA to clean up lunch for a day was a great incentive, it certainly was not the most important reward of this project. "The NDA/CCH Canned Food War was a great way for us to come together as a community and make a difference in the lives of others," said Claire Suetholz, NDA senior and Student Council Secretary. "It's amazing to think that between the our two schools we collected over 20,000 canned goods. That will go a long way in helping those in need this winter."

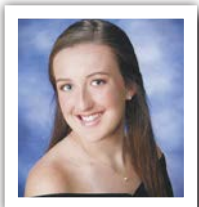

While the competition between these two schools is fierce, students at both Notre Dame Academy and Covington Catholic realize that everyone is a winner in this Canned Food War. "Seeing the massive amounts of canned goods and non-perishable food items piled up in the hallways of our school is a wonderful reminder of our students' commitment to serving others," said NDA President Dr. Laura Koehl. "Students at both NDA and CCH can be proud of the work they have done to support our local agencies who provide food to those in need."

This annual battle began in 2010 when Student Council members from Notre Dame Academy wanted to do something to help fill the shelves of a local St. Vincent de Paul food pantry. They realized that if they challenged the boys at Covington Catholic to a Canned Food War, they could collect twice as many items for those in need. That year, NDA collected over 16,000 canned goods.

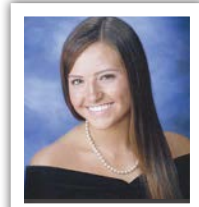

The war is over for this year and NDA students are thrilled with their victory and the thought of making a difference in the lives of others. The canned goods they collected will be distributed throughout the St. Vincent de Paul food pantries of Northern Kentucky.

The graduates of Notre Dame Academy span many generations.

Our apologies for the omission of these 2014 graduates and their grandmothers from the Summer 2014 *Notre Damian*.

Have you considered making a gift to the NOTRE DAME ACADEMY 2014-15 ANNUAL APPEAL?

If you have already made a donation,
Thank You!

If not, please consider lending your support and
Celebrate the Tradition of Sisterhood
at NOTRE DAME ACADEMY.

Celebrating Sisterhood

Notre Dame Academy is a community of
lifelong learners grown in the charism
of the Sisters of Notre Dame.

We have been blessed with a sisterhood shared by
NDA students for over a century.
As an alumna, you are part of that tradition.

Your gift makes a real impact on the lives of NDA students. While we remain committed to keeping tuition affordable, we face a gap of \$1,500 per student annually between what is generated in tuition and what it costs to educate each student. Donors like you are a blessing to the NDA community as we continue working to provide an education that prepares our young women for success their life endeavors.

In an effort to be fiscally responsible and environmentally friendly,
the Annual Appeal envelope attached inside the center
of this magazine will serve as your reminder to give to the
2014-15 Annual Appeal.

Please use the included envelope to send in your gift, or visit
www.ndapandas.org and click 'Giving' to make your donation.

Thank you in advance for your continued generosity!

Elizabeth "Beth" Burriss Neal was appointed as a full-time Instructor of Studio Art at Thomas More College. Beth's husband, Tom Neal, teaches mathematics and physics part-time at Thomas More College. Beth focuses on the right-brain, creative side; and Tom focuses on the left-brain, analytical side. The running joke between the two of them is, together they have a WHOLE brain.

Julia B. Meister shares that she was selected for inclusion in Best Lawyers in America® 2015 for her work in the following practice areas: Commercial Litigation, Litigation – Banking & Finance, Litigation – ERISA, Litigation – Trusts & Estates, and Trusts and Estates. Emma Rankin Lovely and children Simon (5) and Mary (3) just returned to Duluth, MN. They are living on a beach of Lake Superior and hope to have many visitors. She thanks God for the blessings of alumnae Lauren Altevers Steltenkamp and Halley Rankin, her wonderful family and friends, and for reconnecting with many NDA women while in Kentucky. She feels blessed to be joining Essentia Behavioral Health as a LICSW/therapist. Emma gives peace, love and many thanks!
