- 2 2017 Women Making A Difference
 Notre Dame Academy sets aside a day to celebrate the mission of educating women to make a difference in the world.
- 5 Embracing Dignity in Self, Others and Community
 NDA students are inspired to live the mission of NDA through the SND Educational Principles.

Greetings Alumnae, Parents, and Friends of Notre Dame Academy,

Many hopeful blessings to you in the Easter Season!

This year our NDA community is celebrating the second SND educational principle; the human dignity of each person as an image of God. As we embrace that dignity in self, others and community, God's goodness comes alive in our community. Take for example, those smiling faces on the opposite page. This picture and the many others you will find in this spring issue of the Notre Damian convey the numerous ways a Notre

Dame Academy education embraces the dignity and God given gifts of young women across the generations.

The many stories of our NDA students and alumnae are filled with hope and vision. This is true today as we see our SWAT team learning how to code at the Apple Store and it was true 40 years ago when Sr. Judith and Sr. Mary Ethel started the Science Research program that led to countless women in STEM careers. Whether it is the Science Research students tackling the mysteries of our physical world, our English students winning record numbers of Scholastic Writing Awards for creative and insightful writing or our *Women Making a Difference* Honorees excelling as educational leaders - Notre Dame Academy women continue to embrace excellence in new and meaningful ways.

St. Julie Billiart said "We must have courage in the century we live in. Great souls are needed, souls having the interest of God at heart." I see that courage every day in the bold and purposeful work of our talented students, teachers, staff and alumnae. Furthermore, we know that excellence at NDA flows from our SND legacy and requires a commitment to continuous school improvement. As the *Excellence Without Boundaries* program progresses, we are ensuring this tradition of excellence so that our young women become faithful citizens and leaders in our community. Through this groundbreaking program we will create new spaces for our students to pray, learn, reflect, collaborate, read, write, relax and socialize. The realities of our 21st century technological world require that we continue our tradition of embracing the God given talents of young women so they can truly make a difference.

We are grateful to all of you who continue to make excellence at NDA a reality through the examples of your own lives. For 116 years, NDA has educated young women with the *interest of God at heart*. As we enter this Easter season, I hope the stories within these pages add to your great stories and bring a sense of hopefulness in celebrating God's gift of new life and goodness in the world.

May you know God's goodness and provident care the Easter Season and always.

Sister Mary Rita
Geoppinger, SND

On Thursday, March 16, Notre Dame Academy honored three graduates who are living the mission of NDA and making a difference in the world at the annual *Women Making A Difference* recognition award luncheon. This year's honorees were: Penelope Bayless Rogers '60, Linda Scully Bricking '65 and Katrina Wagner Brown '86. Also during the luncheon, Sister Mary Rita Geoppinger, SND received the Sister Mary Reina Arlinghaus Award for exemplifying the mission of Notre Dame Academy through her dedication to serving others, educating young women, and enriching the lives of many.

Sister Mary Ethel Parrott, SND (2016 *Women Making A Difference* recipient) began the luncheon with a prayer and Amy Quinn (2010 *Women Making A Difference* recipient) gave opening remarks. NDA President, Dr. Laura Koehl, and NDA Major Gifts Coordinator, Nancy Goeke, presented the awards to each honoree. Approximately 325 Notre Dame Academy alumnae, corporate sponsors, business associates, and friends attended this year's luncheon which was held at the Northern Kentucky Convention Center.

The *Women Making A Difference* award program, now in its sixteenth year, is an important recognition event and provides much needed funds for the Notre Dame Academy Student Tuition Assistance Program. Thank you to our event sponsors, Tom and Jewel Geoppinger, as well as our generous corporate sponsors. (See the full list on page 24.)

If you know an NDA alumna who is making a difference in our community whom you would like to nominate for this honor, fill out the abbreviated nomination form located on page 25 and you will be contacted by NDA's Advancement Office for further information.

Several former *Women Making A Difference* recipients attended the luncheon.

NDA Offers Scholarships to Future Pandas

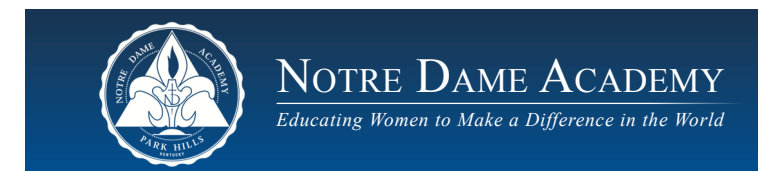

Notre Dame Academy awarded over \$30,000 in academic scholarships to 20 incoming freshmen for the fall of 2017 at NDA's High School Placement Test results meeting. Representing fourteen tri-state grade schools, these talented students earned the scholarships based on their outstanding performance on the High School Placement Test (HSPT) in December 2016.

Because of the generosity of the Sisters of Notre Dame and other benefactors, Notre Dame Academy awards several academic scholarships to the top performers of the HSPT each year. The scholarships range from \$2500-\$500. This year, NDA offered 6 renewable Academic Excellence Scholarships to students who scored in the 99, 98, and 97 percentile, and 20 benefactor scholarships based on academic performance.

Notre Dame Academy congratulates the following members of the Class of 2021 who were offered academic scholarships for the 2017-18 school year:

Rachel Young	Jenna Girard	Catherine Branch
Amelia Coomes	Hayley Jansen	Lauren Davey
Caceilagh Pitstick	Noelle Cottingham	Jane Roberts
Emma Summe	Clara Dusing	Hana Kennedy
Anne Kleier	Samantha Arnold	Emma Meyer
Samantha Bailey	Danielle Shoemake	Shelby Turney
Caroline Dunlevy	Annashea Carlisle	

2016-17 Annual Appeal Update

The Notre Dame Academy community has been blessed with generous donations to this year's Annual Appeal from parents, friends, and alumnae. To date, we have received \$223,000 of our \$285,000 goal. As the end of the school year is near, we continue to ask for your support in reaching our goal. The Annual Appeal provides financial assistance and helps to bridge the tuition gap at NDA. Your donation to the Annual Appeal helps to ensure that a Notre Dame education is available to any young woman who aspires to join our more than 10,000 alumnae. For your convenience, you will find an Annual Appeal donation envelope bound into this issue's centerfold to make your gift by mail. We are grateful for your support and we thank you in advance for supporting the mission of Notre Dame Academy.

From the Principal

Blessings Alumnae, Families, and Friends of NDA!

The final stretch of the school year is a very busy time for all of us at Notre Dame Academy. As we prepare for the close of another academic year, we strive to make each moment count. It is essential though, that we do not lose sight of what is most important.

Our goals at NDA go beyond excellence in academics, athletics and the arts. Our objectives are more than an exemplary service program and outstanding co-curricular programs. Our success at NDA is measured by how effectively our students live out our values and the mission of our school.

We are entrusted with helping our students to become their best selves, to be young women of integrity, virtue, honesty and hope. It is not important if our graduates go on to become engineers, physicians or educators. Their individual career choices are not of particular consequence. It is most relevant however, that during their time at NDA they learn to model the goodness of Mary, our Blessed Mother.

St. Julie Billiart said, "Our Lady helps those who honor her not merely by prayer - but also by imitating her virtues." Through emulating Mary, the young women of Notre Dame Academy will become faithful, loving leaders committed to making the world a better place. This is the goal that inspires us and gives our lives as educators purpose at NDA.

I hope you have time during this Easter season to reflect, think and pray. As I take that time, I am reminded of what a gift it is to be part of the NDA community. It is a joy to be part of such a strong academic tradition of empowering young women to make a difference in the world and a challenge to teach them to develop their God given gifts to be life-long learners in the 21st century.

We are embarking on many exciting physical changes to our building this summer. While I believe that the remodeling of our space will dramatically elevate the educational opportunities for our students at NDA, I assure you that we will remain true to our mission. We will continue to strive to instill in our students not only knowledge, but also spiritual and moral values that will prepare them for a life of success, community service and personal fulfillment.

I thank you for your support of Notre Dame Academy. Please remember my prayers are with you during this holy season of Easter. May the peace and joy of the resurrection fill your heart.

In Notre Dame,

Jack VonHandorf

NOTRE DAME ACADEMY EMBRACING DIGNITY IN SELF, OTHERS AND COMMUNITY

As a school sponsored by the Sisters of Notre Dame, Notre Dame Academy is blessed with a heritage rich in tradition. Over a century ago, the Sisters of Notre Dame opened the doors of NDA to provide a premier education infused with the spirit of St. Julie Billiart. We strive to continue that tradition today.

Our mission, vision and values at Notre Dame Academy are derived from the Educational Vision and Principles of the Sisters of Notre Dame. Each school year, we base our school theme on one of the four SND Educational Principles. In honor of the second educational principle of the Sisters of Notre Dame, our 2016-17 school theme is *Embracing Dignity in Self, Others and Community*.

This theme has provided many opportunities for our students to foster an atmosphere that highlights how we are all worthy of respect and to find ways to celebrate human dignity and the inherent goodness in each person. This school year, our students have made a conscious effort to embrace dignity in our classrooms, on our fields, in our theatre and in service to others. They have focused on respecting life for all, from conception to natural death through their participation in the March for Life. They have supported our NDA sister school in Uganda through fundraising and sharing their sisterhood. Whether they are posting "You are loved!" valentines on lockers or organizing a charity volleyball game, the young women of NDA are embracing dignity each and every day.

By *Embracing Dignity in Self, Others and Community*, our students have come to understand the true purpose of an NDA education. They have learned what it means to be young women making a difference in the world and they are inspired to share their God-given gifts and talents more freely. Most importantly, this year's school theme has motivated our students to serve others with the spirit of St. Julie Billiart proclaiming God's goodness and provident care!

Future Business Leaders of AMERICA

On Wednesday March 8, nine of our Notre Dame Academy students competed at the Region 4 Future Business Leaders of America (FBLA) Conference at Northern Kentucky University.

The following students placed in the top three of their respective events and will be moving on to the State Conference in Louisville in April:

- Emma Nurre (Junior) - 1st in Cyber Security
- Kennedy Baugh (Senior) - 2nd in Computer Problem Solving
- Maddie McCauley & Ruthie Franzen (Sophomores) - 3rd Social Media Campaign

Congratulations to additional members of NDA's FBLA Team on a job well done in their events as well:

- Annie Lee
- Dymond Robinson
- Izzy Coomes
- Hannah Hammond
- Jenna Meiners

NDA Students Named NATIONAL MERIT FINALISTS

Notre Dame Academy is pleased to announce that three students from the class of 2017 have been recognized as National Merit Finalists by the 2017 National Merit Scholarship Program. NDA seniors, Brooke Schulte, Paige Montfort and Abbie Guard have all earned the distinction of National Merit Finalist.

These students were among the 16,000 semifinalists named in the National Merit Scholarship Program's 62nd competition in September recognizing each state's top students. A total of 1.5 million high school juniors entered the program by taking the 2015 PSAT test. To become finalists in the National Merit Scholarship Program, these young women submitted scholarship applications that included information about their academic records, co-curricular activities, leadership abilities, honors, awards and employment.

"It is an incredible honor for three of our students to be recognized as National Merit Finalists," said Mr. Jack VonHandorf, Principal of Notre Dame Academy. "This accomplishment is a reflection of the diligence of our students and dedication of our faculty. We congratulate these young women and their families."

NDA Receives Record-Setting Number of WRITING AWARDS

The Notre Dame Academy English Department proudly announces that NDA's very talented young writers recently received 3 National Silver Keys, 27 Gold Keys, 67 Silver Keys and 60 Honorable Mentions in the Scholastic Art and Writing Competition. That is a total of 157 Scholastic Art and Writing Awards!

Hypha Fries, Claire Morgan and Lydia Watson were all named National Silver Medalists in the Scholastic Writing Competition. "It is an honor to work in a school that fosters and celebrates the creativity and talent of our student writers. As they continue to develop their voices, there is no doubt they can and will make a difference in the world," said NDA English teacher and English Department Chair Emily Sampson. She added, "Where there is art, there is light!"

21st Century LEARNING at NDA

Notre Dame Academy was well represented at this year's Tech Olympics in February. Two NDA students serve on the INTERalliance Leadership Council: Alenna Fletcher '18, is the NDA Chapter President and Angela Kyntchev '19, serves as the Outreach Chair. Both young ladies worked very hard with the staff of INTERalliance to make the weekend a success. Mrs. Mullee and juniors Jessica Beirl and Emma Nurre also represented NDA at the Tech Olympics.

Tech Olympics is the largest technology conference in the country for high school students. This conference gives local students the opportunity to explore new technology, compete school against school, sharpen their professionalism, and connect with industry leaders. Students attend various breakout sessions for a deep dive into a different technology topic, from IT Security presented by the CIA to Digital Design presented by local design experts. Competitions include the TopCoder Speed Programming Tournament, Hacker Heaven, Network Assembly Challenge, and many more. Further, students have the chance to speak with representatives from local universities to learn which choice of major best supports their IT career goals.

Science Research Students Dominate at SEFNK Competition

Notre Dame Academy science research students had an outstanding performance at the Science and Engineering Fair of Northern Kentucky (SEFNK) on Saturday, February 25. Each of the NDA students placed first in her category and qualified to compete at the Kentucky Science and Engineering Fair in April. Under the direction of Mrs. Terri Perrino and Mr. Patrick Strickley, Notre Dame Academy took the top high school award as well.

NDA Principal Mr. Jack Vonhandorf commented, "We are very proud of our students' hard work and dedication to their research. We are also happy to see their interest in the STEM fields. Mrs. Perrino and Mr. Strickley do an amazing job continuing the legacy of Sr. Mary Ethel Parrot, SND with our Science Research Program."

And The Verdict Is... NDA's Mock Trial Team Rocks!

In March, 17 Notre Dame Academy students traveled to Eastern Kentucky University to compete at the Kentucky High School Mock Trial State Competition. In only their second year, the team needed to expand to two teams to accommodate the increased interest. Both NDA teams placed inside the top 20 at the competition and each team was awarded a Top Witness and a Top Attorney. The following students received those honors at the awards ceremony following the completion of the competition:

- Team #1 Top Attorney - Julia Hughes
- Team #2 Top Attorney - Ellie Kathman
- Top Witness - Emma Finn
- Top Witness - Julia James

All four NDA Mock Trial coaches are NDA graduates and practicing attorneys: Katelyn Connor '08, Amy Hebbeler '09, Sharon Gronotte '93 and Kathleen Johnson.

2016 Winter Sports Update

The winter sports awards program was held on March 21, bringing the season to an end for the teams of archery, basketball, bowling, swimming and diving. Congratulations to all of our Panda winter athletes on a great season!

ARCHERY

The Panda Archers had great success this season. They placed 2nd in three tournaments this year: the NDA Classic, the Next Level Academy and the Twenhofel Shoot. As a team, they placed third at the NDA Charity Shoot hosted at NDA. In addition to their strong finish in the NDA Charity Shoot, they were able to raise \$3000 to support the National Wildlife Federation. Individual Archers showed tremendous skill this season. Erin Kirchner took 1st place at the NDA Charity Tournament and 2nd at the Next Level Academy Tournament. Hope Feinauer placed 2nd at the NDA Charity Tournament and Gray Middle School Tournament. Lily Gamel placed 4th at the Next Level Academy Tournament and Alexis Hehman placed 4th at the Ryle Haven Games.

NDA had many accomplishments during basketball season. Sommer Shields was named to the All-Tournament Team in the Freshman Pandamonium Christmas Tournament. The JV Basketball Team was a regional tournament semi-finalist. Varsity Basketball Panda Sophie Hagen was named to the Northern Kentucky Coaches Association Division I - First Team and Allison Gribben was named to the All-District Tournament Team.

BASKETBALL

The bowling team had several firsts this year. They were the Region 6 Runner-up thus becoming the first NDA bowling team to qualify for the state tournament. In addition to the team accomplishment, Alecia Radford became the first NDA bowler to qualify for the state singles tournament. Alecia scored big all season setting the NDA school record for a season average with a 162.55 and she set another NDA school record for High Series at 429. In the Regional Qualifier, Alecia Radford finished 3rd, Angela Huston finished 12th, Erica Huston finished 15th and Sam Wichmann finished 20th. Although the Pandas lost in the first round of the State tournament to the #2 seed Harrison County, they had a very accomplished season.

BOWLING

SWIMMING & DIVING

Congratulations to the NDA Aqua Pandas on another great season. The Pandas brought home their 19th consecutive Swimming and Diving Regional title. The team also won the Region 7 Sportsmanship award at this tournament. The Pandas excelled at state. Sophie Skinner won her 3rd state title in the 100 Yard Freestyle, her 4th title overall. Sam Glass won a state title for her time in the 200 yard individual medley. A new NDA school record was set in the 400 Freestyle Relay by swimmers Sophie Skinner, Allie Piccirillo, Samantha Glass, and Amanda Smith. The following is a list of top ten finishes at the State Meet:

- | | | |
|---|--|---|
| Sam Glass
1st - 200 IM,
2nd - 400 Free Relay
3rd - 200 Medley Relay | Ainsley Moore

Our Panda swimmers and divers received the Sportsmanship Award at the Regional Meet this year.

19th Annual Golf Outing Tees Up

Notre Dame Academy's Boosters, along with Athletic Director Myanna Webster, are working on the 19th Annual Golf Outing which will be held on Friday, July 28, 2017, at Twin Oaks golf course. The event is a wonderful opportunity to get out on the links while benefitting NDA's Athletic Program. For more information about the outing, including sponsorship opportunities, call Myanna Webster at 859-292-1892 or go to www.ndapandas.org.

NDA Summer Camps

Notre Dame Academy has all sorts of summer opportunities. So whether you are artistic, athletic, musical, or you are just looking for some fun summer camps, visit our website at www.ndapandas.org.

In Loving Memory

The Notre Dame Academy community extends its deepest sympathy to the families of our alumnae on the death of their loved ones. These individuals will be remembered by the NDA students and faculty during their monthly Masses throughout the school year. We are grateful for your continued support of Notre Dame in the form of memorials, honorariums, and special intentions.

Forever NDA

A LEGACY SOCIETY
FOR
NOTRE DAME ACADEMY

Planned gifts create extraordinary opportunities to support Notre Dame Academy. *Forever NDA* is made up of alumnae, parents, and friends who, through considerate estate planning and other forms of planned giving, ensure that resources will be available to support Notre Dame Academy and its mission of educating young women to make a difference in the world for generations to come.

The significance of planned gifts to the future of Notre Dame Academy is unlimited. From financial aid scholarships to capital improvements, these gifts help continue the standard of excellence in education for which Notre Dame Academy has been known for over a century.

The impact of your planned gift to Notre Dame Academy, which qualifies you for membership in *Forever NDA*, will last forever and transform generations of young women at Notre Dame Academy.

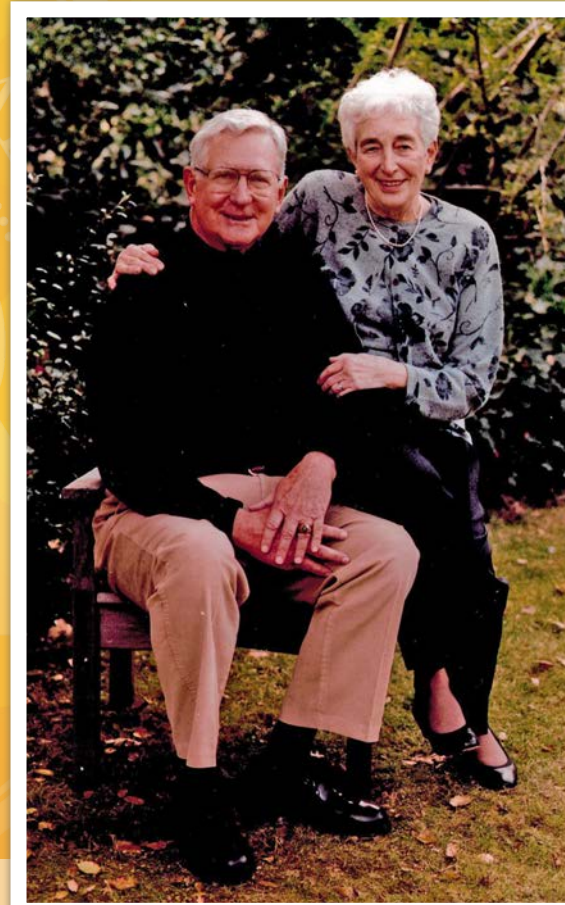

Judith Bland, Class of 1960

"The opportunity to attend Notre Dame Academy altered my life in many wondrous ways, both then and in the years that have followed. Every young woman should be equally blessed! An NDA education is a priceless gift to our present and our future generations of girls, to each of us, and to the world as well."

Arianna Hauer, Class of 1947

"The education that I received at Notre Dame was wonderful. My classmates and I were fortunate to have attended a school like NDA. It is important for us to give back to the school that helped us in so many ways. Please consider remembering NDA in your will and estate planning. We need all alumnae support to make NDA available to our future young ladies."

Joan and Dick Maier, Former NDA Parents

"We moved to Park Hills from Cincinnati in 1963 and distinctly remember being warmly welcomed to the community by the educational leaders at St. Agnes, Covington Catholic, and Notre Dame Academy. Over the following decades, we raised our growing family of three sons and four daughters here - each of which benefitted from the educational foundation provided to them through their primary and secondary school years. In fact, many of their children, our 18 grandchildren, also went to these same three schools. You might say we have a multi-generational tradition with this educational community."

"It is our privilege to keep the Covington Catholic and Notre Dame Academy educational traditions alive long after our family has attended. By remembering these organizations in our estate plans, we can continue to invest in their ongoing development of a future generation of inspired, educated young people."

If you would like more information on how you can become a part of Notre Dame Academy's *Forever NDA Legacy Society*, please contact Major Gifts Coordinator Nancy Goeke at 859.292.1851.

Dear Alumnae and
Friends of NDA,

"Paying it forward" is a cliched phrase and action which is often heard in society today. It could be as simple as buying a cup of coffee for the person behind you in a Starbucks drive-through or as meaningful as purchasing lunch for a soldier in uniform at an airport. "Paying it forward"

can mean many different things to many different people.

Over 110 years ago, a small community of Notre Dame sisters decided to leave Germany and follow their dreams to "pay it forward" by creating what is today Notre Dame Academy. Because of their vision and inspiration, over 10,000 young women have had the privilege of receiving an education that is second to none. However, they didn't do it alone. They relied on a dedicated community of supporters, and countless alumnae, parents, friends, and benefactors. And because of their generosity, Notre Dame Academy has continued to thrive and prosper well into the 21st century.

Through the creation and launch of the Notre Dame Academy *Forever NDA Legacy Society*, you too will have a wonderful opportunity to "pay it forward." Your planned gift to NDA will live far beyond your lifetime. It is an investment in the future, helping Notre Dame Academy grow and thrive for years to come. Your planned gift will help ensure that future generations of young women will have the opportunity to be recipients of a quality NDA education.

In the last issue of the *Notre Damian*, you read the story of an alumna who left a legacy to NDA. Because of her forethought, Notre Dame Academy is better positioned to move ahead with major renovations and improvements to our 1963 building, thus allowing our students to receive a more enhanced NDA education. Planned gifts can be large or small, but all serve as a testament to a strong desire to "pay it forward" to those who are yet to come.

In the days ahead, we are launching the *Forever NDA Legacy Society*. We are confident that this society will continue to grow, thus allowing many future generations the benefit of what the Sisters began many years ago. Your thoughtful consideration will make the difference for our future. As we sing in our theme song during all school assemblies, "Alma mater, glory to thee, forever NDA!" Thank you for your continued support of Notre Dame Academy.

Sincerely,

Nancy Zumbiel Goeke '70
Major Gifts Coordinator

News for Alumnae

NDA Heritage Blog

Sr. Dolores talks about everything from what was “modern” in 1948 to our celebration of Catholic Schools Week on Notre Dame Academy’s Heritage Blog. She even delves into the history of retreats at NDA. The picture above is a group of juniors in 1959 heading off to their retreat at St. Joseph Heights. Check out all of these interesting stories and some great pictures from the NDA archives in Sr. Dolores’ latest entries of the NDA Heritage Blog.

2017 Golden Girls Celebration

Notre Dame Academy will hold a special celebration in honor of all of our alumnae who graduated fifty years ago or more. The annual Golden Girls celebration will take place on Sunday, October 8, 2017. This very special day will begin with Mass at St. Joseph Heights with the Sisters and then brunch will follow in NDA’s Alumnae Hall. This year, the class of 1967 will be inducted as the newest Golden Girls. More information and a registration form will be in the summer edition of the Notre Damian.

2017 Alumnae Dinner Theatre

Over 140 NDA alumnae enjoyed this year’s Alumnae Dinner Theatre. The evening began a wonderful dinner shared among friends and former classmates. Dinner was followed by the outstanding NDA/CCH production of *Jane Eyre, A Musical Drama*. The students brought Charlotte Bronte’s great love story to life with an enchanting evening of exquisite music and enjoyable entertainment.

Thank You for Taking a Chance on NDA!

Thank you to everyone who supported NDA’s Annual Cash Raffle. With the generous support of the alumnae, students and friends, we reached over and beyond our goal with a total of \$51,570. Proceeds from the raffle help supplement the tuition gap and keep Notre Dame Academy affordable for all who wish to attend. Congratulations go out to our winner Adelei Durban '18, along with our top selling students, Caroline Hicks '20, Lainey Stephenson '18 and Saija Bedford '18. Thank you again for taking a chance and supporting NDA!

Thank you to all those who generously serve as Class Captains for Notre Dame Academy!

As class captains, these dedicated alumnae have helped spread the word about alumnae events and various opportunities at Notre Dame Academy.

As you can see below, we are still looking for Class Captains for several classes. If you are interested in being a Class Captain and helping to promote NDA and alumnae events, please contact the Notre Dame Advancement Office at 859.292.7729.

Class Updates

The following alumnae were recently highlighted on our Alumnae Story Board:

Sue Sturgeon, NDA Class of 1964, went on to Thomas More College, where she earned a B.A. in Chemistry. She worked at Proctor and Gamble for 24 years as Director of Consumer and Market Knowledge. Sue fills her time now as a Master Gardener, NDA Board Member, Chair of the NDA Advancement Committee and many other community outreach programs.

Sue Lankisch Greis, NDA Class of 1985, went on to NKU where she earned a B.A. in Elementary Education followed by a Masters Degree. Sue currently serves as principal at St. Henry Elementary and aided the school to its first National Blue Ribbon Award of Excellence. Sue recently received the 2017 Lead, Learn, and Proclaim Award from the National Catholic Education Association.

Amanda Butler Kolar, NDA Class of 1993, graduated from BGSU with an M.A. in Fine Arts. After many years teaching at a collegiate level, she focused her life on service, family and her Catholic faith. Once a week, Amanda visits the Rose Garden Home Mission. She has witnessed countless miracles and feels blessed to be a part of the good works that happen there. Along with her dedication to the community Amanda focuses much of her time enhancing the artistic minds of young children.

1947

The Class of 1947 got together for their reunion at NDA this past winter.

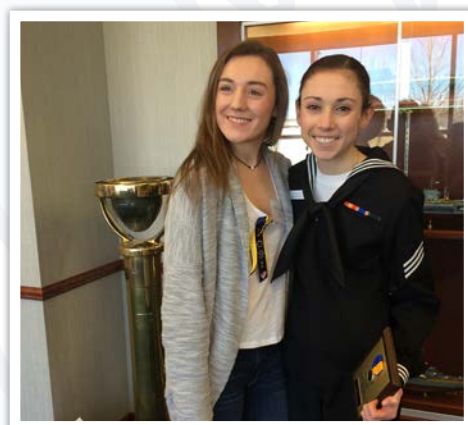

1992

Christine Luzak Luken writes, "I just wanted to share some exciting news with my NDA family! My book, *Money is Emotional, Prevent Your Heart From Hijacking Your Wallet* was released on March 21, 2017."

1993

Theresa Scherder Danner states, "We would like to announce the arrival of our fourth child! Nathan James ChuFuChen Danner, age 6, joined his forever family in August 2016. He was born in Jiangsu, China and is an amazing, sweet and wonderful little boy! We cannot imagine life without him!"

2000

Stefanie Jones Raab shares, "I recently went back to school and am now a Respiratory Therapist at Cincinnati Children's Hospital. We also welcomed our 3rd child last year Griffin Daniel on 12/21/15. We are more than blessed to have him in our lives! I never thought I would have a sophomore at NDA, a 2nd grader, and a 1 year old all at the same time! Funny how things work out, but we could not be happier!"

2002

Meghan Williams, a 2006 graduate of Bellarmine University, was inducted into Bellarmine's Athletic Hall of Fame on February 17, 2017. Meghan's induction follows her successful All American career in Track & Field and Cross Country.

2014

Erin White writes, "I am a 2014 graduate of Notre Dame Academy who enlisted into the United States Air Force. I was supposed to leave in July of 2014 but didn't end up leaving until March 2015. After I graduated boot camp in Texas, I was in school for my job, maintaining aircraft parts, for about 2 months. From there, I was stationed in South Korea for 13 months. That tour was fairly difficult. We trained every month in chemical warfare gear, preparing for whatever the North decided to do. Thankfully nothing happened. About 4 months ago, I left Korea and I now reside in Germany. I have traveled to Switzerland, France, and Austria. I am able to start college courses, now that I am finished learning my job. I will have my associates in logistics by the end of 2017, if all goes smoothly. Then I am able to work on any other degree I am striving toward. I cannot thank Dr. Laura Koehl and Notre Dame Academy enough for where I am today. The courses I took then are helping me in the long run. Everywhere I go, I try to make a difference, just as NDA's mission states.

2015

Michela Barnes graduated from Navy Boot Camp ranked # 4 in her training group of 504 and won the Navy League Award, which is "Presented to the graduating recruit whose enthusiasm, supportive attitude and willingness to help others during their training period exceeded navy training standards. In addition, Michela's division (091) won the Captain's Cup, which was a competition between divisions. She helped the cause by doing 135 push-ups in 3 minutes and 180 sit-ups in 3 minutes. Michela was the youngest of the 7 award winners who were recognized at graduation.

ALUMNAE Survey Says...

"NDA provides a solid, well-rounded education preparing and inspiring young women to become future leaders in the community."

"Notre Dame teaches young women to be strong, confident, independent women."

"NDA offers a nurturing community supported by caring faculty and staff and the Sisters of Notre Dame."

"Notre Dame Academy provides challenging academics and a wide range of extracurricular activities."

"NDA provides a Catholic education fostering community service and instilling a devotion to the Blessed Mother."

"My mother was a 1945 graduate of NDA and she and my Dad worked hard to send my 2 sisters and me to NDA. I have always felt that I received the best possible education and have been grateful for my parents' sacrifices to send me to such a fabulous school."

Notre Dame Academy is interested in hearing about our Alumnae! Specifically, we are interested in how your NDA education impacted you, news of where your life has taken you and significant moments you would like to share. It is also important to make sure we have current contact information so we can stay connected and determine how you would like to be involved in life at NDA today.

Last year we conducted a survey of our alumnae to gather this information. We heard back from 250 alumnae at that time. Our respondents included graduates from 1945 and 2015 and many in between. They were as close as Northern Kentucky and as far away as New York, Texas and California.

You can see a few of the things we learned from our survey in the quotes to the left and in the measured responses below:

- 95%** Would recommend NDA to family and friends
- 97%** NDA taught them the value of service to their community
- 94%** NDA provided a good foundation to develop skills for their profession
- 92%** Helped develop a strong foundation for faith development

Respondents indicated the following skills were learned at NDA:

- 85%** Effective writing
- 70%** Leadership
- 84%** Critical thinking
- 70%** Collaboration
- 73%** Self confidence

Many alumnae shared comments about their experiences at NDA. These comments provide helpful feedback as we continue to develop and improve the programs we offer.

We are also grateful for several alumnae who are interested in speaking in classes, serving as mentors and offering internships. We look for opportunities to connect our alumnae with each other and our current student population. Information from this survey is being used to develop ways to continue to make these connections.

Please watch for another survey opportunity this year. We will send the link via email and social media.
