6 The Notre Dame Academy Tradition

A Notre Dame Academy education is a family tradition for several members of our Class of 2020.

8 Welcome NDA Legacies

Notre Dame Academy acknowledges the importance of family connections and welcomes our Class of 2024 Student Legacies!

From the President

Greetings Alumnae,
Parents and Friends of
Notre Dame Academy,

This graduation issue pays tribute to the class of 2020 and in a special way acknowledges the history making commencement experience that they will certainly never forget! Our graduates have truly made their mark at NDA and never expected to be celebrating that at a drive through graduation. However, they did receive the diplomas they worked so hard to earn and it was indeed a celebration! As I handed each graduate her red roses through her car window, I was able to tell her how proud I was of her accomplishments and of the gracious way she was making the best of what has been a very challenging time for all.

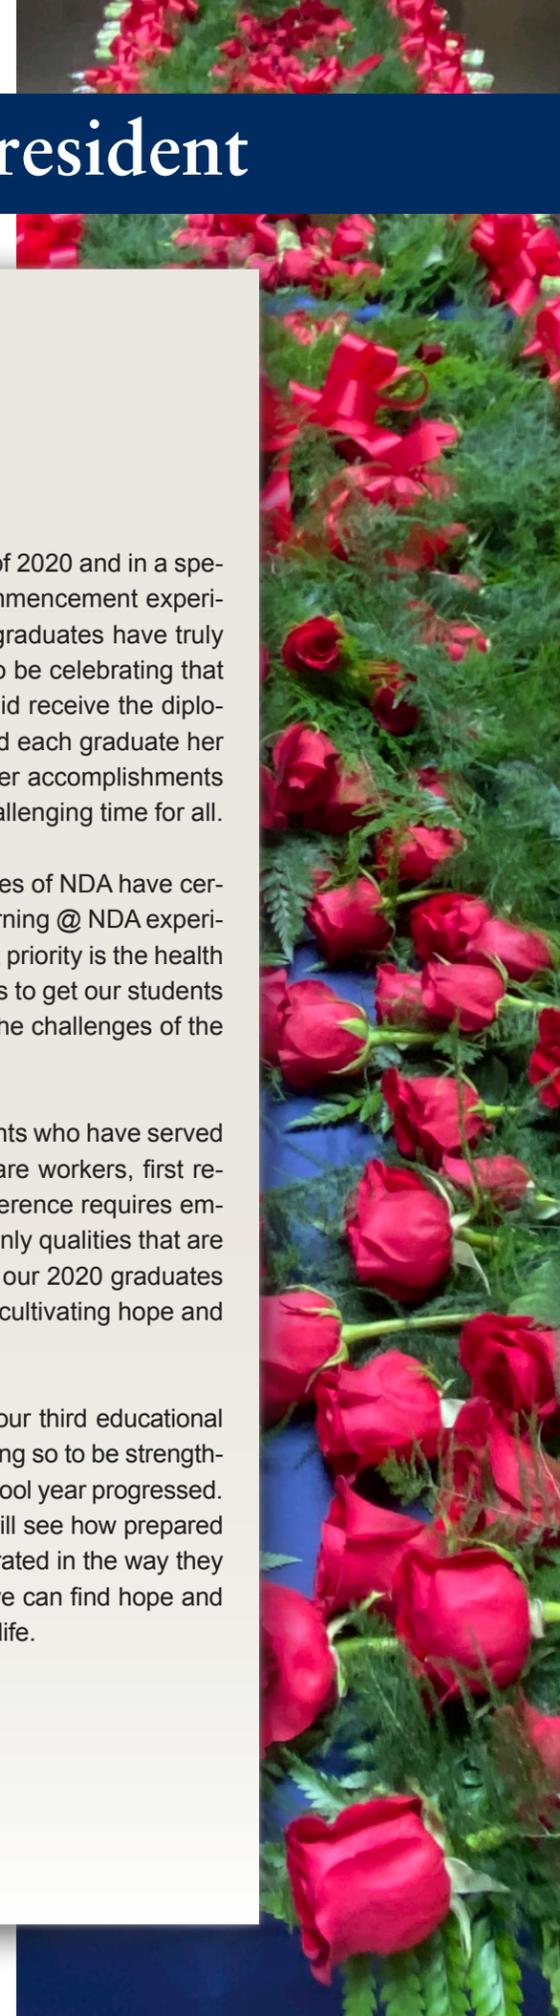

In this time of the COVID19 pandemic, the faculty, staff, students and graduates of NDA have certainly risen to the challenge. Having completed a very successful Remote Learning @ NDA experience, we are now preparing for a school year that will be like no other. Our first priority is the health and safety of our students, teachers and staff. And we know how important it is to get our students back to school. Years of investment in technology have prepared us well for the challenges of the 21st century and what will be a new way of teaching and learning.

During this challenging time we are also proud of our many alumnae and parents who have served their communities across the country and world on the frontlines as healthcare workers, first responders, teachers and service workers. They have shown that making a difference requires empathy, compassion, hard work, innovation, sacrifice and faith. These are certainly qualities that are the fruits of a Notre Dame Academy education! They have paved the way for our 2020 graduates and all those to follow. Their work pays tribute to our school theme this year - cultivating hope and happiness!

At the beginning of the school year we challenged our students to embrace our third educational principle of the SND's - the centrality of our good and provident God - and in doing so to be strengthened by God's love. Little did we know how providential that would be as the school year progressed. As you read through the accomplishments of our 2020 graduates, I trust you will see how prepared they are for their college and work experiences to come. And as they demonstrated in the way they dealt with a world-wide pandemic at the pinnacle of their high school career, we can find hope and happiness knowing they are strengthened by God's love and well prepared for life.

May you know God's goodness each day,

Dr. Laura Dickman Koehl '75

POMP & PANDEMIC CIRCUMSTANCES

Notre Dame Academy's Class of 2020 will always be remembered for the challenges they faced with the emergence of the novel coronavirus (COVID-19). Its subsequent development into a global pandemic had a profound impact not only on the daily lives of NDA's senior class, but on the last months of their high school experience as well. Like many high school seniors across our country, NDA's Class of 2020 had an unexpected end to their time together as a class in mid-March.

On Friday, March 13, 2020, NDA students were gathered for an important announcement. Junior and senior classes assembled in the gymnasium where Mr. VonHandorf explained to the upperclasswomen that they would be transitioning to online classes beginning Tuesday, March 17. Everyone assumed that Remote Learning @ NDA was a temporary assignment but unfortunately it was not. The risk of COVID-19 outweighed the prospect of bringing NDA's seniors together again for the remainder of the school year.

NDA seniors lost their senior prom, Orange and White Game, academic and athletic signings, senior week activities, baccalaureate mass, senior breakfast and graduation. Spring athletes missed their final season and the opportunity to compete together as a team. Thespians lost their chance to lead the spring musical realizing that the show does not always go on. Most significantly, the Class of 2020 lost their last days together as Pandas. They no longer walked into school side by side each morning, hair tousled and backpacks in tow. Never again would they celebrate mass together, sing out loud at Friday lunch with each other or crowd into a booth in the CLC with their school friends.

While the losses of the Class of 2020 seemed immeasurable at times, NDA's seniors were "clothed with strength and dignity." They showed up each day for each class of non-traditional instruction. They worked hard and engaged in meaningful learning online. They were grateful for all that Notre Dame Academy faculty, staff and administrators were doing to preserve the NDA senior traditions that meant so much to them.

On Friday, April 24, seniors were allowed to come back to campus to pick up their caps and gowns. They were told to stay in their cars and drive through Marian Circle. All 126 seniors happily followed the rules to keep each other safe. They were beaming as they pulled over the top of Hilton Drive for the first time since that last normal school day in March. Faculty and staff members formed a pathway for the Class of 2020 to give them a wave hello and a masked smile. The drive through was such a success, NDA administrators planned three more of these special events including a first-ever drive through graduation.

On Friday, May 22, Notre Dame Academy pulled out all of the stops to celebrate its graduating seniors. As members of the Class of 2020 and their families arrived for their assigned graduation time slot, they were treated to the sounds of the school song, blue and gold balloons flying high and NDA's wonderful faculty and staff members lining Hilton Drive with signs of good wishes. After receiving their red roses, diplomas, and other graduation gifts, graduates went home to watch their prerecorded graduation ceremony. The virtual graduation was as close to a traditional Notre Dame Academy graduation as possible. From Dr. Koehl's welcome to Sr. Mary Ethel Parrott's sending forth, the program for NDA's 2020 graduation was identical to years past.

The prerecorded ceremony included the customary speeches. NDA Senior Class Co-Presidents Kate Joyce and Molly Kleier gave the Welcoming Address and senior Laura Nelter gave the Valedictorian Address. Mr. VonHandorf presented the graduates and then performed the Conferring of Diplomas as photos of each graduate in full graduation regalia appeared on the screen. Mr. VonHandorf also shared a few thoughts with the seniors in the ceremony as is his privilege as principal of NDA.

"Be confident - you have been well prepared academically. You have been empowered spiritually and you are equipped with a strong set of core values and beliefs. And of course, the most important lesson I would like to pass on to you that will carry you through your life - always remember to make great choices and go make a difference in the world!"

While graduation activities looked very different from years past, the sentiment was the same for the 2020 Pandas. The day was filled with an abundance of smiles along with a few tears. The Class of 2020 may have lost the last nine weeks of a regular high school experience due to COVID-19 but there are some things even a global pandemic cannot take away - the NDA spirit. Notre Dame Academy's Class of 2020 did not allow coronavirus to steal this special celebration from them or stop them from saying goodbye to their teachers and administrators. They did what NDA Pandas are prepared to do - they persevered and made the best of a difficult situation.

The young women of NDA's Class of 2020 have learned so many important life lessons in their last nine weeks of high school, lessons that often take a lifetime for others to grasp. They discovered perspective. They found out what means the most to them and more importantly, who means the most to them. Notre Dame Academy will miss the young women of the Class of 2020 - every single one of them. The NDA community cannot wait to see the incredible differences these wise young women will make in the future.

Look out world! NDA's Class of 2020 is coming and they are ready to make a difference!

From the Principal

Blessings Alumnae,
Families, and Friends of NDA!

Gratitude - it's so important and often overlooked. This school year, along with our theme of *Cultivating Hope and Happiness, Strengthened by God's Love*, we have focused on developing an attitude of gratitude at NDA. I would like to take this opportunity to express my sincere appreciation to the faculty, staff and counselors at Notre Dame Academy.

We are incredibly blessed to have so many hard-working and dedicated educators at NDA who really care about our students. They stepped up in so many ways throughout the last quarter of the 2019-20 school year and now they are preparing for another challenging year to come. I cannot thank them enough for all they do to encourage the health and wellbeing of our students while ensuring that they continue to receive a quality Notre Dame Academy education - even in difficult times.

One of our many amazing faculty members is Mr. Tom Richmond. Mr. Richmond teaches religion at NDA. Last October, Mr. Richmond wrote a pledge for our students to recite together at the culmination of our Common Reader Day. Our entire NDA community gathered in the gym for a prayer circle where we recited the *Sisterhood Happiness Pledge* together. It was a very meaningful and moving experience for everyone and I cannot wait until we are able to gather our students to recite this special pledge together again. The Sisters of Notre Dame would tell us that the words Mr. Richmond wrote for that particular day were providential. I would have to agree and when you read the pledge on the following page, I think you will see that Mr. Richmond wrote our *Sisterhood Happiness Pledge* with divine foresight.

Another awesome educator at NDA, Mrs. Nancy Stratman, is retiring this year. Mrs. Stratman is a Social Studies teacher who has inspired many Pandas over the years. She is a consummate educator. Her dedication to her students comes from her love of teaching and her passion for the work she does. The result of her commitment is student success. Although Mrs. Stratman will be taking on the role of archivist at NDA, she will be greatly missed as a member of our faculty. We wish her a very healthy and happy retirement.

Taking part in the Catholic education of the young women of NDA is an honor and I would like to express my gratitude to you, our NDA alumnae, families and friends, for your continued prayers and support of Notre Dame Academy.

In Notre Dame,

Jack VonHandorf

Sisterhood Happiness Pledge

I choose happiness for you

As I choose it for myself.

I choose happiness for our relationship

Though our paths may vary.

I choose happiness in our brief encounters.

I choose happiness in our learning of life's lessons.

I choose happiness in the friendships now experienced

And even those that are yet to come.

And though I may not always be at your side,

I pledge to you to always try to live in a way

That will celebrate the goodness of what is given.

She exemplifies that she values her relationship with God and lives Gospel values in her daily life, as is evident from outreach and service. She is a leader in her involvements and in the way she lives her life.

The recipient receives a medal, ordinarily to be worn at the public graduation ceremony. One side of the medal bears the inscription "Sisters of Notre Dame" above the SND coat of arms. On the reverse side, the SND logo is surrounded by the words "Distinguished Graduate Award." At Notre Dame Academy, this medal is recognized as the highest honor and is usually the last award presented at the final assembly.

The names of the awardees are recorded each year in a book at the SND international headquarters in Rome. It is placed on an altar dedicated to Sister Maria Aloysia, an outstanding educator who founded the Sisters of Notre Dame in Coesfeld, Germany. Graduates are welcome to view the book if they have the good fortune to visit Rome.

Laura Neltner

Congratulations to Laura Neltner and Rebecca Hammill. Laura was named valedictorian of the Class of 2020 and Rebecca was named salutatorian. Since the announcement was unable to be made at school this year, these seniors each received a cookie bouquet over spring break giving them the good news.

Laura is the daughter of Marc and Susan Neltner of Villa Hills, Kentucky. She will be studying Business Analytics at the University of Cincinnati as a member of the Carl H. Lindner Honors-PLUS Program this coming fall.

Rebecca is the daughter of Rob and Andrienne Hammill of Cincinnati, Ohio. She will be studying Systems Biology at Case Western Reserve University this fall.

NDA STUDENT COUNCIL NAMED NASC National Gold Council of Excellence

Congratulations to NDA's Student Council who earned the National Council of Excellence Gold Award for the fourth year in a row! For its exemplary record of leadership, service, and activities that serve to improve the school and community, NDA's Student Council has been recognized as a 2020 National Gold Council of Excellence by National Student Council (NatStuCo). NDA is 1 of 3 schools in the entire state of Kentucky to have earned this recognition this year.

"Receiving a National Gold Council of Excellence Award reflects the highest dedication on the part of the school to providing a strong, well-rounded student council program," said Nara Lee, National Association of Secondary School Principals (NASSP) Director of Student Leadership. "NatStuCo applauds the work of the National Gold Councils of Excellence and challenges them to continue their leadership and service to their schools and communities."

Mr. VonHandorf says Student Council "consistently looks at ways to engage the student body, generate school spirit, bring about positive change and reinforce the mission and vision of our school." This has been especially evident as Student Council members work to build community when learning from home.

To meet the requirements for the National Council of Excellence Award, a student council must meet a variety of criteria. In addition to basic requirements such as a written constitution, regular meetings, and a democratic election process, the councils have demonstrated successful sponsorship and participation in activities such as leadership development and service to the school and community. Councils awarded the gold level of the award have successfully demonstrated the highest levels of leadership. Way to go, StuCo!

PANDAS QUALIFY FOR FUTURE BUSINESS LEADERS OF AMERICA NATIONAL COMPETITION

While the Future Business Leaders of America State Competition looked quite different this year, Panda success remained the same. Due to the coronavirus pandemic, for the first time in history, the FBLA State conference, usually held at Louisville's Galt House Hotel, was moved online. Despite the new structure, the following students placed in the top three of their respective events and will be moved on to the National Conference, which was supposed to be held in Salt Lake City, Utah, June 29 – July 2, but also moved online.

- Noelle Cottingham, Isabelle Cottingham & Cathrine Ghazala – 2nd Place – Sports Entertainment Management
- Sara Nageleisen – 3rd Place – Hospitality Management

Congratulations are also in order to the following FBLA members, Sophia Ghazala, Bri Seibert, Phoebe Boyle, Isabelle Bailey, Sarah Woodrum, Olivia Games, Caitlin Neely, Kate Joyce, Ellie Joyce, Lexi Foust, Elena Bruns, and Alexis Durik, on a fabulous year as well.

TEACHERS MAKE A DIFFERENCE AT NDA

Earlier this school year, Mrs. Nancy Stratman received the Diocesan Excellence in Teaching Award at the Diocesan Senior Mass. This award is sponsored by Thomas More University and given each year at the senior mass. "Mrs. Stratman does many great things inside and outside the classroom and deserves to be recognized for the impact she has had on her students," said NDA Principal Mr. Jack VonHandorf. When the award was announced at school, Mrs. Stratman received a standing ovation from NDA students. After many years of making a difference in the lives of her students, Mrs. Nancy Stratman is retiring from teaching social studies at NDA. She will continue to be part of the NDA community as the school's archivist. We wish Mrs. Stratman the very best in her retirement.

NDA science teacher Ms. Molly Proudfit was recently nominated for the University of Kentucky's *Teachers Who Made a Difference* program. Mrs. Proudfit was nominated by former student Angela Houston '17 but unfortunately the ceremony was cancelled due to COVID-19. In Angela's nomination letter she wrote, "Mrs.

Proudfit is a teacher who always goes above and beyond for her students! She always found a way to ensure we were keeping our critical thinking skills sharp, as they would get us far in life. She would not only teach us the information needed to learn for class, but also valuable life lessons that would allow the transition to the real world to be a little easier. She was not only a teacher but a mentor and role model to me. She deserves this recognition more than anyone I know. She sparked my interest in the science field and although I struggled in her class sometimes, she continued to encourage me. Thanks to her, I am getting ready to go to grad school to pursue my Masters in Athletic Training!"

THE PANDEMIC PROJECT

In May, graphic design students were assigned the Pandemic Project in which artist Kadir Nelson challenged students to create something that helped them and others to get to the next moment, the next hour, the next day, or the next week. They were challenged to create a piece to show where they've been, who they are and how they are going to move forward. Here are a few examples of their work:

Ali Donnelly - I decided to use my laptop as a background because basically everything we do right now is online.

Ella Padgett - I used a puzzle that my mom and I did together as a background. I then made all the images of fun things we did during quarantine into puzzle pieces.

Ellen Barlage - Throughout my neighborhood, people have been putting stuffed bears and rainbows in the windows as a fun hunt activity for children. Parents can drive their children around and search for the bears as a fun way to get out of the house and bring joy during the quarantine.

NOTRE DAME ACADEMY HONORS PATRONESS AT VIRTUAL MAY CROWNING

As a school dedicated to Mary, our annual May Crowning ceremony is a very special celebration for us to honor our patroness, the Blessed Mother, and to reflect on our educational mission. Although we were unable to gather as a community on this important occasion due to COVID-19 restrictions, we were able to share the ceremony virtually on Wednesday, May 6.

Each year the honor of crowning Mary goes to a senior. All seniors are invited to submit a reflection about the Blessed Mother and how they have viewed her as a role model. This year the honor of crowning Mary went to Molly Kleier. In her reflection Molly wrote, "Through this global pandemic, I have a newfound appreciation for Mary's devotion to the Lord. When the Angel Gabriel came to her, she took on the will of the Father, not knowing what her future would hold. Just like Mary, I have to accept the situation that is at hand and put my faith in God. Like Mary, I had everything planned for the future. Now I must move forward and simply trust in God."

The honor of carrying Mary's crown went to Grace Caccavari. In addition to carrying Mary's crown, Grace shared her gift of song at the virtual ceremony singing Immaculate Mary.

In Loving Memory

The Notre Dame Academy community extends its deepest sympathy to the families of our alumnae on the death of their loved ones. These individuals will be remembered by the NDA students and faculty during their monthly masses throughout the school year. We are grateful for your continued support of Notre Dame in the form of memorials, honorariums, and special intentions.

2020 Spring Sports Update

Unfortunately, the spring sports season was cut short for our student athletes due to COVID-19 restrictions. Our Bass Fishing, Lacrosse, Softball, Tennis and Track & Field Pandas were just finishing try-outs and conditioning when their season was abruptly cancelled by the KHSAA. This was tough for all of our student athletes but it was especially difficult for our senior athletes finishing their high school athletic careers. We wish our graduates well in their future endeavors.

We are happy to announce that our student athletes are slowly returning to campus to begin conditioning for the 2020-21 school year. We believe that physical activity is an important component of a healthy, well-rounded student. Our goal is to create a safe training environment for our student athletes to participate in physical activity while practicing safety measures to mitigate the spread of COVID-19. To that end, teams are following all guidelines set for by the KHSAA, CDC, NKY Health Department, the Kentucky Department of Education and the Diocese of Covington.

Welcome to the PANDA FAMILY

Please join us in congratulating NDA Athletic Director, Myanna Webster and her family on their new addition!

Mrs. Webster gave birth to a beautiful baby boy in April. Colin James Webster came into the world at 8 pounds 14 ounces and 21.5 inches long. Please keep Mrs. Webster and her family in your prayers.

Notre Dame Academy Alumnae Service Grant Opportunity

The Women Making A Difference (WMAD) Service Grant was created in 2018 to further the mission of Notre Dame Academy in educating women to make a difference in the world. The purpose of this grant is to enable the recipient to continue the ethic of service as she actively engages in seeding and developing an outreach project that addresses an imminent societal need. Money from the annual WMAD luncheon is set aside each year to fund the program and service opportunities.

Alumnae who are interested in completing a service project are encouraged to submit a grant application. Due to the unusual covid-19 circumstances this year, the deadline for the 2020 application has been extended to September 15, 2020.

For more information regarding the WMAD Service Grant, visit the Alumnae section of our website or email Nancy Goeke at goeken@ndapandas.org.

Marian Circle Commemorative Bricks and Theatre Seats

We are currently offering NDA alumnae including our 2020 graduates a special price of \$150 per brick and theatre seat. If you are not an alumna, bricks can be purchased for \$300.

All of the proceeds from this program will be designated for the Sister Mary Agnetis Scholarship Fund. If you are interested, fill out the form on page 33 and return it to NDA. Please know that we are so grateful for your support of Notre Dame Academy and look forward to our continued relationship in the future.

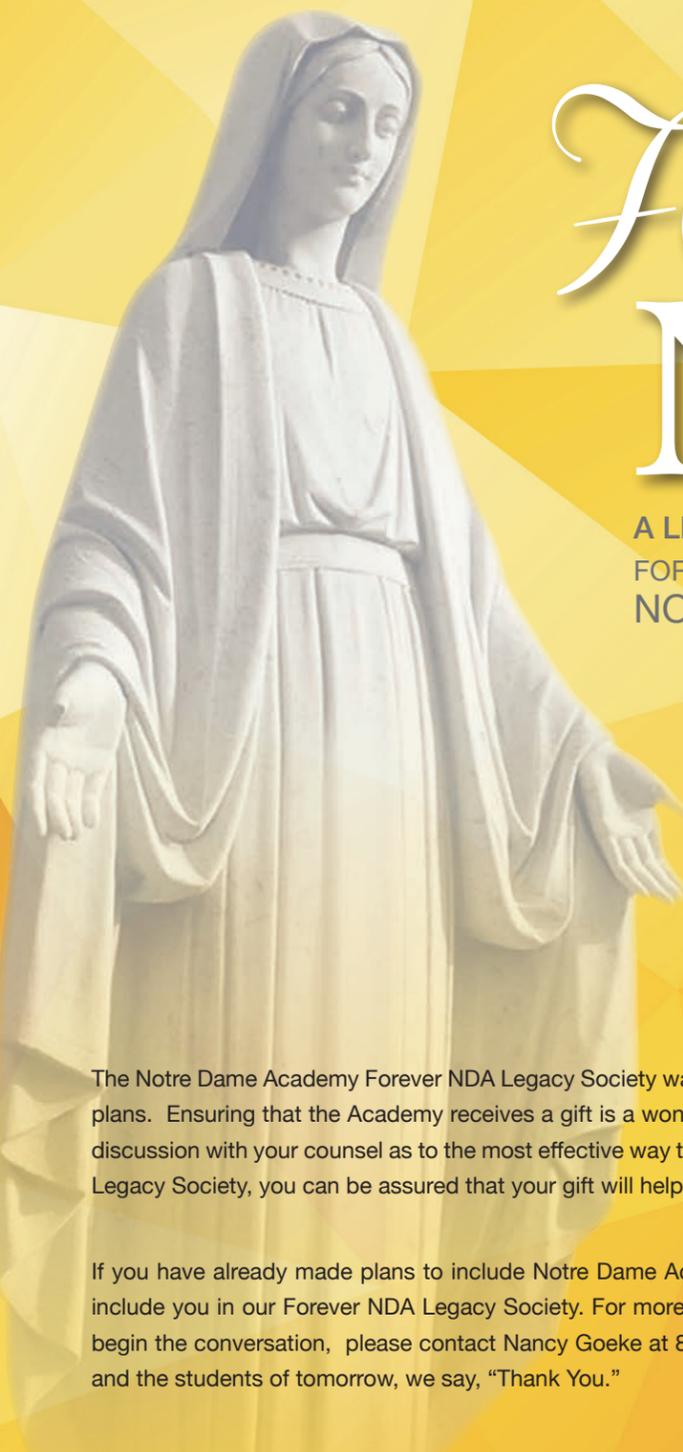

Annual Fund Deemed a Success

Thank you to all of our alumnae, parents, past parents and friends who contributed to the 2019-20 Annual Fund. The success of this fund would not have been possible without you and the support of the entire Notre Dame Academy community.

Your generosity to the Annual Fund has enabled us to supplement the tuition, which is paid by the school families, as well as to provide scholarship and work study opportunities for students who otherwise might not be able to attend Notre Dame Academy. You have made a difference in the lives of the students of today and your support will continue to benefit the students of tomorrow.

The Notre Dame Academy financial Annual Report and complete listing of all benefactors will be published and distributed later in the fall of 2020. Donations made using the remittance envelope in the centerfold of this issue of the Notre Damian will be credited to the 2020-21 Annual Fund.

Thank You!

A LEGACY SOCIETY
FOR
NOTRE DAME ACADEMY

Leaving A Legacy for Notre Dame Academy

Each of us has an opportunity to create a legacy- you don't have to be wealthy or "of a certain age" to start thinking about yours. Throughout the years, NDA has directly benefited from generous individuals who included Notre Dame Academy as part of their legacy. Their bequests ranged from significant major gifts to modest ones, and many in between. Their planned gifts ensured that their gifts of today would greatly impact the security of NDA in the future.

The Notre Dame Academy Forever NDA Legacy Society was established to recognize individuals who have included NDA in their estate plans. Ensuring that the Academy receives a gift is a wonderful way to leave a legacy and is as simple as contacting NDA or having a discussion with your counsel as to the most effective way to participate in our planned giving program. As a member of the Forever NDA Legacy Society, you can be assured that your gift will help secure quality education for future generations of NDA students.

If you have already made plans to include Notre Dame Academy in your will, or once you have done so, please notify us so we may include you in our Forever NDA Legacy Society. For more information about including Notre Dame Academy in your estate plan or to begin the conversation, please contact Nancy Goeke at 859.292.1851 or goeken@ndapandas.org. On behalf of the students of today and the students of tomorrow, we say, "Thank You."

*Is Notre Dame Academy currently in your will or estate plans?

Save the Date for the 2020 Autumn Gala

Save the date for the 2020 Autumn Gala, scheduled for Saturday, October 17. Planning is in full swing for what is NDA largest and best attended fundraiser of the year. Because of the concerns for mass attendance at live events this year, the executive committee has made the decision to transform the Gala into a live virtual event. You will be able to attend the Gala from the comfort of your own home, or you can gather some friends together for your own watch party!

Be assured that the Gala will be an exciting evening to remember, all the while securing much-needed resources for NDA. All details regarding the Gala will soon be forthcoming, but be sure to mark your calendar for Saturday, October 17. You won't want to miss this evening to remember!

NDA's Family Tree Honors Generations of Graduates

Notre Dame Academy is grateful for the sacrifice and commitment many families have made over the years in order to provide their daughters with a Catholic education rooted in the tradition of the Sisters of Notre Dame. These young women have grown into generations of women making a difference.

To honor the generations of families who have attend Notre Dame Academy, there is a family tree display in Alumnae Hall. On this tree there are leaves recognizing families who have had four or more sisters graduate from NDA. Surrounding the tree are clouds recognizing families who have had four or more generations of graduates from Notre Dame Academy.

All leaves and clouds are provided on a request basis. If you and your family qualify for either a leaf or cloud but you are not sure if one already exists, you can check online <https://www.ndapandas.org/alumnae/leaf-and-cloud.aspx> or contact Leanne Kirn at kirn1@ndapandas.org or 859-292-1827.

President's Blog

NDA President Dr. Laura Koehl has created an online blog to stay in touch and share ideas and inspirations with our NDA community as we take on the challenges of COVID-19 and its effect on all of us. You can find the blog here: <https://www.ndapandas.org>.

2020 Golden Girls Celebration

Notre Dame Academy will celebrate the Class of 1970 as the newest Golden Girls. Our Golden Girls Celebration honors NDA alumnae who graduated fifty years ago or more. This year, due to the pandemic, the celebration has been postponed until Spring or Summer 2021. The Alumnae Relations Office has been in contact with the 1970 Class Captain. We will definitely celebrate and honor our Class of 1970 as the newest Golden Girls in the near future.

WELCOME TO OUR NEWEST ALUMNAE

This year was quite different for our Class of 2020, but we made Graduation Day as special as possible for them. The girls still received their senior gift, which is normally given at their Senior Luncheon, however since that particular event had to be cancelled due to the pandemic, we honored them on May 22, their drive-thru graduation day, in a couple of unique ways.

Each girl received a personalized alumna certificate, as well as a "Hope" bracelet signifying our good wishes for them as they enter the next chapter of their lives.

Our 2020 graduates now join the ranks of more than 13,000 proud alumnae. We look forward to seeing how these Pandas will continue to make a difference in the world!

Please see the accompanying article about the new "Senior-Alumnae Sisterhood" project enjoying its inaugural year on page 26.

NOTRE DAME ACADEMY ALUMNAE MAKING A DIFFERENCE ON THE FRONT LINE OF COVID-19

THANK YOU!

Notre Dame Academy's Alumnae Office quickly became aware of many Pandas who serve on the front lines of this pandemic. Many are doctors, nurses, pharmacists, first responders, physical and occupational therapists, restaurant owners and servers, and grocery store personnel.

We have a growing list of front line alumnae continuing to help in all facets of the pandemic. Just as our alumnae were taught to always make a difference in the world while they were students at NDA, that goal of service is ever present throughout their daily lives.

Please keep your eye on our Notre Dame Academy Alumnae Facebook page for our daily feature of a front line alumna. You can check out our complete list of front line alumnae below. If you know of an NDA graduate who is making a difference during COVID-19 that is not on this list, please contact NDA Alumnae Coordinator, Monica Ginney, at ginneym@ndapandas.org or complete the form on page 32.

2020 SENIOR-ALUMNAE SISTERHOOD

The NDA Alumnae Office started a new program this year, our Senior-Alumnae Sisterhood, which features alumnae being paired with a current senior or two preparing for graduation and her first foray into college life. We had 105 alumnae participants this year and they were paired with the 126 students in our 2020 senior class.

Pairings were based on a senior's college choice and/or major. Many alumnae had the same college alma mater or major and work in their senior's chosen field, so the help they are giving our newest graduates as they embark on this exciting next chapter of their lives will be most valuable.

Molly Mayer '14 states "The Senior-Alumnae Sisterhood Program has been such a fun experience! Anna and I were able to easily connect because she is attending WKU where I went to college and is friends with my younger brother. These connections helped her feel more comfortable asking questions, and I was able to use my past experiences to address her concerns. What I enjoy most about this program is helping her get excited and start to picture her next four years in the most positive way. I loved attending WKU and talking about it helped to bring back so many great memories. This has been such a great casual way to ease some of her tension going into freshman year of college and a great way to reminisce about my own experience!"

Many alumnae have informed us of their frequent communication with their paired 2020 graduates and several have a plan to continue bi-weekly or monthly communication as college life for our newest alumnae begins to unfold in August.

Adrienne Boschert Vannarsdall '00 stated how the Senior-Alumnae Sisterhood Program in general is here to help our newest graduates. "The Senior-Alumnae Sisterhood Program provides a safe space for students to discuss their concerns, fears and excitement as they graduate from NDA and move on to college. This can be a challenging time under normal circumstances, so it's understandable that students today are facing additional challenges. It's helpful for them to have a resource, both now and as they continue through college, to ask questions and solicit feedback as they navigate their college careers. As an alumna, it's refreshing to think back on such an exciting time and see the world through their eyes."

Alumnae Storyboard

The NDA Alumnae Storyboard highlights alumnae who are living the mission of NDA and making a difference in their community. The Alumnae Storyboard is outside the cafeteria for all students to read. The stories are posted on our website and sent out in an email newsletter to all alumnae. You can read about the three alumnae most recently featured on the Alumnae Storyboard at www.ndapandas.org>>alumnae>>alumnae_storyboard.

NDA COVID-19 Relief Fund

During this time of great need for so many of our NDA students and families, we have created a special COVID-19 Relief Fund. This fund will provide the necessary means for these families to continue to send their daughters to NDA. It is imperative that we prioritize our tuition assistance programs as we continue to address the impact of this pandemic.

We ask that you consider making a difference in the lives of our students and their families by making a donation. Your gift will help to ensure that the tradition of excellence continues for our NDA students today and for future generations.

If you are an NDA family in need of financial assistance due to the global pandemic, please email our Director of Finance, Tom Kennedy, at kennedytom@ndapandas.org to request support or receive additional information.

She continues to enjoy substitute teaching, traveling (when restrictions are lifted) and trying new restaurants. Her daughter Danielle is a speech language pathologist in Arizona, and daughter Kelley is an architect in the Kansas City area.

ALUMNAE MENTORING

The Alumnae Mentoring program enjoyed its second year with many more students participating. Almost 60 NDA junior and senior mentees completed an application process and were assigned an alumnae mentor working in the same field as the student's interest who guided them as they discussed what the students envisioned as their future careers.

Mentors and mentees communicated on a monthly basis and originally had two Alumnae Mentoring presentations to attend during the spring semester. Three Alumnae Mentors presented "Critical Thinking/Decision-Making Skills and Social media Do's and Don'ts" in early March. However, the early April session had to be cancelled due to the pandemic.

We are currently gearing up for an exciting 2020-21 Alumnae Mentoring year. Current juniors and seniors are completing application forms and they will be informed of their assigned mentors soon after school begins. The two Alumnae Mentoring group sessions will occur this year either in person (socially distanced) or on a virtual basis.
