

Dear Parents,

Happy May! As a school dedicated to Mary, May is a very special month for us. Last Friday our school community gathered to reflect on our educational mission in honor of Mary, our patroness, in the celebration of our annual May Crowning ceremony. We were very blessed to have Bishop Iffert join us for this important occasion. As is the tradition at NDA, the honor of Crowning Mary went to a senior. All seniors were invited to submit a reflection about the Blessed Mother and how they have viewed her as a role model. This year the honor of crowning Mary went to Addy Woeste with the honor of carrying Mary's crown in procession going to Clara Weber. As part of the May Crowning celebration, the Sisters of Notre Dame gave the freshmen, new students and new staff members a Miraculous Medal as they do each year.

As you will see in the many stories below, there is one resounding word to summarize today's edition of the Panda Press Weekly - **CONGRATULATIONS**. Our students have taken responsibility for their education and have been very dedicated to excellence in many ways this school year. That is quite evident in all of the congratulatory remarks in the stories that follow. I would like to congratulate all of our students for their commitment to their Catholic education at NDA. Their enthusiasm for learning is inspiring to our entire community.

In honor of Mary, I would like to leave you with a special prayer, The Memorare. The Memorare is a prayer that reminds us that we have a wonderful advocate and protector in the mother of our Lord, the Blessed Virgin Mary. In our prayers to her we honor and worship her Son, who is more than happy to listen to His mother's pleas on our behalf. This special prayer invites us to ask the Blessed Mother for her assistance and her grace, especially when we feel most troubled in our daily lives. I think this prayer is very fitting as we enter the last few weeks of school and exam time.

Have a great week!

In Notre Dame,

Mr. Jack VonHandorf

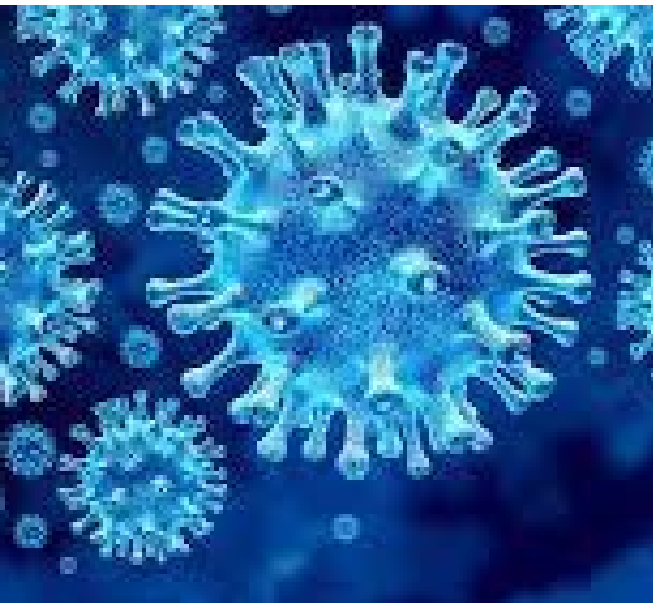

The Memorare

*Remember, O most gracious Virgin Mary,
that never was it known that anyone
who fled to thy protection, implored thy help,
or sought thy intercession was left unaided.
Inspired with this confidence, I fly to thee,
O Virgin of virgins, my Mother;
To thee do I come;
Before thee I stand, sinful and sorrowful.
O Mother of the Word Incarnate,
despise not my petitions,
but in thy mercy hear and answer me.
Amen.*

We have worked with MCORE to provide a screening program to our community since 2019. This is an amazing opportunity for a student to have their heart evaluated for any abnormalities in a cost-effective and convenient manner, especially if they have had Covid-19. We encourage anyone interested to [watch their video](#) to learn more about MCORE Foundation.

FELICEM DIEM NATALEM, O ROMA!

HAPPY (BELATED) BIRTHDAY, ROME!

Latin Club celebrated Rome's belated 2,775th birthday a couple of weeks ago. NDA was on Easter / Spring Break for the annual celebration of Rome's birthday in Italy, known as "Natale di Roma". That same week also happened to be National Classics Week. For their April Latin club meeting after break, students enjoyed homemade cookie cake in honor of Rome, dressing in togas, and streaming of the annual historical re-enactment parades typically held each year in Rome outside the Colosseum on this date of the legendary founding of Rome in 753 BC by Romulus.

Each year for Natale di Roma several days worth of a variety of different large-scale celebrations take place in Rome and around Italy. This year's celebration saw a return of the historical re-enactments, such as costumed parades and gladiator fights, which were held online for two years due to COVID-19 restrictions in Italy.
