

THE *nda* LIFE

Dear Parents,

I hope your daughter is enjoying her day off tomorrow for the Feast of the Immaculate Conception. This holy day of obligation is not just an important day in the Catholic church, its is an essential day in the Catholic church. The Immaculate Conception was the beginning of our salvation and is now one of the central doctrines of our faith stating that, "The Most Blessed Virgin Mary was, from the first instant of her conception, by a singular privilege and grace granted by God, in view of the merits of Jesus Christ, the Savior of the human race, preserved exempt from all stain of original sin." Tomorrow we celebrate the Feast of the Immaculate Conception to call attention to the significant place Our Lady has in the history of our salvation. We look to our patroness, Mary, as the ultimate example of what we can do if we put ourselves in God's loving and capable hands and we try to emulate her by saying "yes" to God's will.

It's hard to believe we are in the final stretch of the second quarter. Students and faculty are busy completing their semester work and preparing for exams. Our student council has done a terrific job decorating our school building with all sorts of holiday cheer to prepare us for the upcoming holidays. Exams will begin next week on Friday, December 16. Information about exams can be found in the announcements below. Students are dismissed for the day at the end of the last exam. Please make sure your daughter gets plenty of rest and has a good breakfast for each exam day as it can be difficult to manage the stress of exams this time of year.

Please encourage your daughter to take time during this holy season of Advent for joyful preparation and peaceful reflection of the birth of our Lord on Christmas day. The second week of Advent is a great time to think about how we can become the best versions of ourselves in preparation for Jesus' coming.

In Notre Dame,

Mr. Jack VonHandorf

ADVANCING OUR MISSION

YOUR CONTRIBUTION HELPS TO:

BRIDGE THE GAP

\$1800

In order to ensure that a Notre Dame Academy education is accessible to all young women, tuition is set at only 80% of the true cost of education. Every student at NDA benefits from this tuition gap of \$1800. Contributions made to the Annual Fund directly reduce this tuition gap and are tax deductible.

PROVIDE ADDITIONAL FINANCIAL ASSISTANCE

\$869,409

In addition to the \$1800 tuition gap benefit, approximately 25% of our families receive further financial assistance at NDA. The total amount of financial assistance and tuition allowances given by Notre Dame Academy in the 2021-22 school year was \$869,409. This number is due largely in part to the financial contributions made to the Annual Fund and the support of our fall fundraiser each year.

BUILD A FOUNDATION

518

A gift to the Annual Fund helps to create a solid foundation for the 518 young women who attend Notre Dame Academy. Your gift, no matter the size, will make a significant impact on each and every student at NDA.

Please join us in our mission
to educate young women
to make a difference in the world
