

THE *nda* LIFE

Dear Parents,

It has been another busy week at NDA! On Sunday we welcomed a number of prospective Pandas from around the Greater Cincinnati area to our Open House. Special thanks to our student ambassadors who were so gracious and professional in greeting our visitors and giving tours. I also want to take note of the hard work and dedication of our faculty and staff who helped us showcase our school so well. We truly appreciate their efforts. I received many positive comments about our school and especially about our student tour guides and dedicated faculty members. We definitely demonstrated to our visitors how we are *Radiating God's Goodness* this school year!

On Friday, November 17, NDA will host the Panda Funfest. This is a fun event and an excellent opportunity for eighth graders to come and experience NDA and meet other students who are considering enrollment for next fall. If you know of a young lady who would like to join us for this event, please contact our Director of Enrollment, Katie Caccavari at 859.292.1829.

An important part of an NDA education is service to others. Our annual canned food drive kicked off November 2 and runs through Friday, November 17. I apologize in advance for the canned foods items missing from your pantry - our Pandas are very motivated! This year we will once again partner with St. Henry to feed as many hungry people as possible this winter. We appreciate your support in our endeavor to claim victory over the Crusaders by gathering the most items and fill the shelves at St. Vincent dePaul for those in need.

Our Mother Daughter Dance is coming up this Friday night. There were some issues with the registration link earlier this week therefore we will leave registration open until Friday at noon. You can find more information below.

We have many goals at NDA, big and small. A Notre Dame Academy education is not just about these goals but about our hope for the future. We are here to serve and support our students as they become women making a difference in the world. We are here to help them to become transformative women leaders embracing God's goodness in our world. Together, we make this happen!

In Notre Dame,

Mr. Jack VonHandorf

MAKING A DIFFERENCE

CLASH OF CANS

Beginning on November 2, the NDA community will be competing against the St. Henry District High School community for a canned food drive. Students can check their padlet for incentive days. This will also be a part of an NDA Family Competition where the winning family will be awarded family points. Watch for more information!

SCARY FUN DAY!

HALLOWEEN - NDA STYLE

Halloween was done right at NDA! The students were permitted to come dressed in costumes. Each homeroom selected a winning costume from each grade level to move onto the family costume competition and then each family selected a student from each grade level to move onto the final round. Students at NDA know how to be creative and celebrate Halloween (and so do their teachers)!

The Student Council Executive members enjoyed booing each first period class to start off the day with fun and excitement, mixed with learning of course.

Students from the Julie Learning Center visited our hallways during the second period to enjoy some treats and fun with our NDA community.

The teachers and administrators also enjoyed going all out for Halloween as well. Barbie and Ken made a few appearances, along with Zac Taylor and some famous Bengals. Pandas and even cowboys were roaming the halls!

NO TRICKS!

ALL TREATS!

Students at St. Agnes, St. Joseph, Prince of Peace and St. Pius X enjoyed the Halloween treats handed out by NDA and CCH students.

NO TRICKS!

IN REMEMBRANCE

Last Thursday for All Souls Day the NDA community came together to celebrate mass, pray and remember the many loved ones who have passed away this past year and prior. Many guests joined us for this mass so we could recognize their loss and pray for their souls and those they left behind.

Dr. Ericson recently participated in the Queen Bee 4-Miler with former NDA Pandas Lauren Garret (Class of 2006) and Mariangel Betancourt (Class of 2020). Countless other current and former NDA Pandas were also seen running both the 4-Miler and the Half Marathon. The following weekend Dr. Ericson didn't slow down, she participated in the University of Central Florida U Can Finish 5-Mile and 2-Mile in Northern Kentucky while her son ran it simultaneously in Orlando Florida.
