

Discount Card Fundraiser Requirements

Select an option for each Student participating in Athletics below **by September 1, 2024**.

If no option is selected, or a student chooses to participate in athletics after September 1, 2024, the student will owe the "Sell No Cards" cost.

If you are unsure whether your daughter plans to participate in athletics, you may want to select the "Sell No Cards" option so that cards are not produced for you and you are not held financially responsible for those printed cards.
