

THE *nda* LIFE

## Dear Parents and Guardians,

It was nice to have a break from the bitter cold this week—hopefully, spring is right around the corner! As always, our students continue to work hard both in and out of the classroom, embracing challenges and opportunities with dedication and enthusiasm. Their commitment to excellence, faith, and service is evident in everything they do, and it is truly inspiring to witness.

As you read in your email from Mrs. Jane Kleier earlier this week (and for those who may have missed it, that letter is included on the following page), I have officially announced my resignation as principal of Notre Dame Academy, effective at the conclusion of my contract on June 30, 2025. Serving as principal for the past ten years has been an incredible journey, and I am deeply grateful for the unwavering support of our faith-filled community. NDA holds a very special place in my heart, and I have been blessed to work alongside such a dedicated faculty and staff, as well as our exceptional students and families.

Throughout my time at NDA, I have seen firsthand the strength of this community. Whether in the classroom, on the stage, on the field, or through acts of service, our students continue to embody the mission of Notre Dame Academy in remarkable ways. It has been a privilege to contribute to that mission, and I will always be proud of what we have accomplished together.

While this decision was not an easy one, I make it with great confidence in the future of NDA. Our school has always been a place of strength, resilience, and faith, and I know that tradition will continue. In the months ahead, my commitment remains steadfast—I will continue to serve our students, faculty, and staff with the same passion and dedication that have guided me throughout my time here.

Thank you for your continued support of NDA and our students. I look forward to finishing this school year strong and celebrating all that makes Notre Dame Academy such a special place.

In Notre Dame,

Mr. Jack VonHandorf

# NOTRE DAME ACADEMY

*Educating Women to Make a Difference*

Dear NDA Families,

I want to share an important leadership update at Notre Dame Academy. Mr. Jack VonHandorf will step down as principal at the end of this school year after a decade of dedicated service. His leadership and commitment to NDA have been invaluable, and we are deeply grateful for his dedication to our students, faculty, and mission. While we will greatly miss him, we extend our sincere appreciation for his service and wish him every success in his next chapter.

Jack's time at NDA has been marked by significant accomplishments. Under his leadership, NDA introduced initiatives such as Panda Prime Time and the Family System, earned accreditation from the Southern Association of Secondary Schools/Cognia, and was recognized as a National Blue Ribbon School of Excellence. Most importantly, before he leaves, the beloved "Mr. V" will have led ten graduating classes of young women who are now making a difference in the world. His lasting impact on NDA will be felt for years to come.

We have known that this would be Jack's final year at NDA since last spring, when he made the generous decision to stay for one more year to provide stability after an unexpected leadership transition. As I stepped into the role of interim president, I asked Jack to continue in his role for an additional year, and without hesitation, he rescinded his resignation to ensure continuity and a strong foundation for NDA's future. His willingness to put NDA first during a crucial time speaks volumes about his dedication to our school and its mission.

As we look ahead, I want to assure you that NDA remains steadfast in its commitment to stability and excellence. Leadership transitions are a natural part of any institution's growth, and we are fully prepared to navigate this process with care and purpose. Given that NDA is also conducting a presidential search, our Board of Directors is working diligently to bring that process to a close soon, and we anticipate sharing an announcement in the near future.

To ensure a smooth transition, I have committed to our Board of Directors to remain in the role of interim president through June 30, providing necessary stability during this time. Our entire NDA community will continue working together to foster continuity next school year as we ideally welcome both a new president and principal. With NDA's strong foundation, rooted in the legacy of the Sisters of Notre Dame, we will move forward with confidence and purpose.

The search for NDA's next principal will get underway this week. I am working with the Board of Directors to establish a selection committee that will review applications and conduct interviews to ensure a thoughtful and thorough selection process. The ideal candidate will uphold the values of NDA, advance our mission, and guide our students to success. Our goal is to have NDA's next principal in place by July 1, 2025, ensuring a seamless transition in leadership.

While change can bring uncertainty, I have full confidence in the strength of our NDA community and our ability to grow and thrive through this transition. Like the Sisters of Notre Dame, we will continue to build upon the foundation of those who have come before us. As always, NDA remains committed to providing an exceptional educational experience for our students, ensuring their success in and beyond the classroom.

We are incredibly grateful for Jack's leadership and the legacy he leaves behind. Please join me in thanking him for his service and dedication to NDA.

In Notre Dame,

Jane Kleier  
Interim President/CCO

## NDA STUDENTS MARCH FOR LIFE IN FRANKFORT PANDAS STAND FOR THE DIGNITY OF EVERY LIFE

It was a beautiful day to celebrate the sanctity of life! With hope, love, and unwavering commitment, Notre Dame Academy students traveled to Frankfort for the Life March. Representing faith and purpose, our NDA students stood together to affirm the dignity of every life.

## UNFORGETTABLE FIELD TRIP

### TEXTILE STUDENTS IMPRESS OTHERS

Last week, the students in Textiles I were able to take a field trip to JoAnn Fabrics in Florence to begin the planning stages of their quilt making. They were prepared with worksheets guiding them regarding measurements and complimentary colors and had to put their knowledge into action when choosing their fabrics. The store was operating as usual with a few more customers than on a normal Wednesday afternoon. Mrs. Ammerman was so impressed with the students' behavior and the positive compliments received from the workers and other customers. The students made us proud and were a delight to the staff at JoAnn's. Be sure to watch for more information regarding their quilt show - it is always impressive to see them showcase such incredible work.

## LEADING WITH INTEGRITY

### WEST POINT SOCIETY OF CINCINNATI - SEMINAR

On Friday February 7, Mrs. Timmerding had the privilege of taking eight students to the West Point Society Leadership and Ethics Seminar in Springdale. The students were joined by many aspiring leaders from other Northern Kentucky and Cincinnati schools. The students were greeted by ROTC students from Xavier and Miami and got to work in small groups discussing the ethical decision making model. It was a great experience for eight of our girls and we look forward to seeing how they put their knowledge into action as leaders at NDA.

## SERVING THE COMMUNITY

# PUTTING LANGUAGE INTO LIFE

It's the greatest feeling when one can use a second language to help others. At that point, language study becomes academic as well as compassionate.

New opportunities have opened up for Spanish students since January 31. On that day, four students assisted Fiesta NKY, a nonprofit agency in Florence, to pack groceries to give to Latino families. The advantage of these groceries is that there are beans, rice, and corn flour (maseca), food staples for most Latino populations. The four students, entirely enthusiastic, spoke Spanish with the other volunteers helping to pack and tried to put their thoughts into Spanish as they worked, packing over 140 cartons! This activity is monthly, so another group will be able to experience this service opportunity on February 28. How wonderful that these young ladies are willing to give up part of their Friday evening.

Another recurring service opportunity is helping the teacher who gives English classes to immigrants at the Kenton County Public Library. The teacher asked if some of our students could come each Monday evening and "distract" the children of her students so that the parents could learn more successfully. But it is not just play. Our students are reading to three Venezuelan children in Spanish and English, building with blocks, as well as entertaining them with library interactive materials. Our students enjoyed the service, and we have a month of volunteers ready!

# Sophomore Class Ring Ceremony

## ATTENTION SOPHOMORES

### RING CEREMONY

On Tuesday, March 11, the Sophomore Class will be honored during a ring ceremony. The ceremony will take place during our school day. The students will be able to bring in a ring that has special significance or one that was ordered to be her class ring. These items will be blessed and passed out to them from Mr. VonHandorf. Herff Jones is our official class ring provider and they visited our students back in November regarding ordering class rings. This is not a requirement though; students can bring in any ring that they wish to be blessed. If students do not bring in an item, then they will receive a medal that will be blessed at the ceremony. Last week, the sophomore students were surveyed regarding their plans for the ring ceremony so medals can be ordered for those who will not have a class ring. Please encourage your daughter to complete the survey that was sent by Mrs. Timmerding.

## GET READY TO DANCE THE NIGHT AWAY!

### BOOTS & BEAUTIES: FATHER-DAUGHTER DANCE

Join us for an unforgettable evening of dancing, laughter, and lasting memories at our Boots & Beauties Father-Daughter Dance! This special night is all about celebrating the bond between fathers and daughters with an evening full of fun, line dancing, and more.

#### Highlights of the Event

- **Line Dancing:** Put on your boots and get ready to learn some fun moves together!
- **Dinner:** Enjoy a delicious meal while spending quality time with your special someone.
- **Senior Gifts:** A heartfelt gift for each senior, as a token of appreciation for this memorable night.

## THE ANNUAL ORANGE AND WHITE GAME

As has been the tradition for six years, the students of St. Ursula and Notre Dame Academy are honored to participate in the Orange and White Flag Football Game on Sunday, April 27. This event will be held at St. Ursula this year.

This has been a philanthropic partnership between the two schools to raise money for Childhood Cancer Research through Children's Hospital. The Bradley family is deeply connected to St. Ursula and they lost their daughter Natalie in 2009 to cancer. During the week prior to spring break, we will have Mrs. Bradley speak to the girls about the importance of this worthy cause. We will celebrate our students who are participating in the game and encourage the students to attend and show their school spirit for such an important cause. It is a fun event at NDA and all are encouraged to attend and show their support for childhood cancer research.

TWO MORE HOST FAMILIES NEEDED

## WELCOME GERMAN EXCHANGE STUDENTS NEXT FALL!

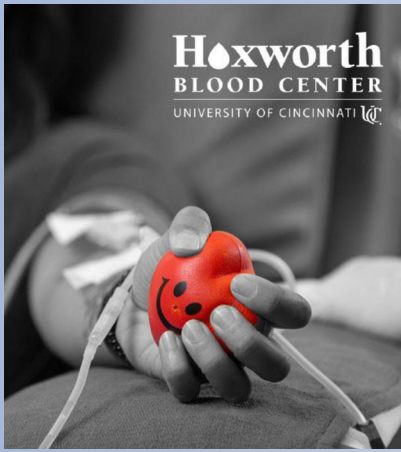

NDA is looking for TWO more host families for our sister school in Germany (Liebfrauenschule Vechta) from October 11, 2025 to December 13, 2025. These students speak English very well and are screened thoroughly by their school. There is also a stipend available to help cover expenses. These students only expect to see average American student life and nothing extravagant. Please call or email Sammie Bezold at 859-292-1884/[bezolds@ndapandas.org](mailto:bezolds@ndapandas.org) if you would be interested in more information about this exciting opportunity. Your reply is not a commitment.

## GLOBAL HEALTH ADVOCATES STUDENTS TAKE ACTION TO ADDRESS HEALTHCARE DISPARITIES

The Global Health Advocates Club at Notre Dame Academy is making a difference! Led by juniors Liv Wallace and Addison Wuellner, the club recently hosted its first vaccine clinic in partnership with Grant County Drugs and the Nurse Advocacy Center for the Underserved (NACU). While turnout was low, likely due to weather, the event provided valuable insight into vaccine and healthcare disparities in underserved communities. Nurse Lynn Brown shared her expertise with students, offering an eye-opening perspective on the challenges many individuals face in accessing medical care.

This vaccine clinic is just one of two impactful initiatives the club has organized this year. In addition to the vaccination event, the group has coordinated a Mobile Breast Cancer Screening session. Liv and Addison worked tirelessly to promote these events, creating informational flyers, spreading the word to the local community, and assisting nurses on-site.

Excited about their next Mobile Breast Cancer Screening event, the club is already looking ahead to scheduling more clinics in the future. Information about upcoming events will be posted on the NDA Nurse's Office door.

Great job, Liv and Addison, for your dedication to public health and advocacy!

## ART 1 EXPLORES PRINTMAKING WITH BLOCK PRINTS UNIQUE DESIGNS USING POSITIVE AND NEGATIVE SPACE

Art 1 is currently working on block prints. They start by designing a design using positive and negative space. They then transfer the sketch using granite to their cork blocks. They use a gouging tool to take out the cork material in the negative space areas of their designs. We then use brayers to ink their blocks before using a team of three to operate our printing press. They are then placed on the drying rack, they will be numbered signed and titled. The result will be 8 prints, 4 exactly the same and 4 unique to the artist hand.

## LAYERING MEDIUMS TO CREATE DYNAMIC ARTWORK ART 2 EXPLORES CREATIVITY WITH JIM DINE-INSPIRED WORKS

Art 2 is currently working on local artist Jim Dine inspired artworks. Each day they add a new medium to their drawing of a tool or painting of a symbol that represents them. They sketched out their composition, applied it the either paper or canvas. Starting with graphite on both and alternating between projects halfway through each class. These works evolve each day and they document their progress with an image we will eventually turn into a slideshow. This will show the evolution of their ideas. They are working in layering and freeing them from the constants of perfection. This is allowing for play, experimentation and amazing results!

# ATHLETIC DEPARTMENT

## FROM THE DESK OF THE ATHLETIC DIRECTOR

### Swimming and Diving -

We want to congratulate our Aqua Pandas for their outstanding performance at the KHSAA State Swim and Dive meet. Savannah Bien brought home a 3rd place finish in the diving competition. Sadie Hardig brought home a 2nd place finish in the 500 yard freestyle and teammate Clare Herfel brought home a State Championship in the 500 yard freestyle! The team's 2nd place finish was a complete team effort as they finished significantly ahead of the 3rd place team from Assumption! Congratulations go out to all members and coaches of the swim and dive team for their efforts this year!

### Archery -

This past weekend, we had a middle of the road team score of 3136 for us. We had some good individual efforts with a 3rd place finish, 4 in the top 30 and 1 PR! We are looking forward to hosting our 3D tournament this weekend at Notre Dame. The season is starting to wind down and we are looking towards our post season competition.
