

THE *nda* LIFE

## Dear Parents and Guardians,

As we continue to enjoy this beautiful fall season, we have much to celebrate and reflect upon here at NDA. Last Thursday we celebrated our annual Common Reader Day, focusing on the incredible life and impact of St. Frances Cabrini. The day was filled with opportunities for our students to learn, reflect and engage with Cabrini's legacy of service to others. Through homeroom discussions, the viewing of the film *Cabrini*, and a meaningful talk from Ms. Julia Attaway, Executive Director of the St. Frances Cabrini Shrine, our students were reminded of the profound difference one person can make in the world. We are grateful to everyone who helped make this day possible, especially Sister Anita Marie, who shared her personal experiences of mission work in Uganda and the sacrifices involved in serving others.

Our students performed *Romeo and Juliet* this past weekend and I want to take a moment to acknowledge the hard work they put into the production. Their efforts were clear on stage and it was a solid representation of the dedication our Fine Arts students have. It was good to see their talent come together for the performance.

I invite you to mark your calendars for our Buenger Sports Complex Upgrade Dedication this Tuesday, October 29 at 12:45 p.m. We are excited to celebrate the completion of this project and will be praying the rosary as a school community on the newly upgraded track, asking for the Blessed Mother's protection over our student-athletes and all those involved in athletics at NDA.

You're invited to *Light the Night for NDA* on November 16 at The Grand in Covington. This is our largest fundraising event of the year, and your participation can make a huge difference. Whether you attend, bid on auction items or sponsor the event, every contribution directly benefits our students and helps advance Notre Dame Academy's mission. We're excited to see you there and appreciate your support in making this a memorable evening.

Thank you for your continued trust and support as we work together to provide an exceptional education and experience for your daughters.

Have a wonderful week!

In Notre Dame,

Mr. Jack VonHandorf

## 2024 COMMON READER DAY

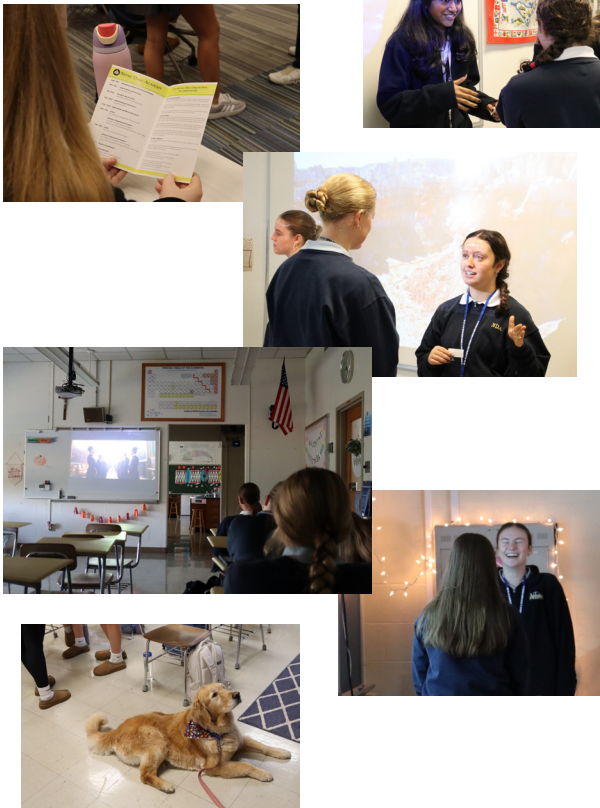

### CELEBRATING THE IMPACT OF MOTHER CABRINI

On Thursday October 17 we celebrated our Common Reader Text: *God's Messenger, The Astounding Achievements of Mother Cabrini*. Mother Cabrini's life was dedicated to serving others. She helped to build schools, hospitals, and orphanages to care for the children of immigrants. Her passion of helping those in need to have a fresh start when building a life in a new country earned her the title of Patron Saint of Immigrants. She dedicated her life to enriching the lives of others through education and healthcare and never backed down to corrupt officials working against her mission.

Our students were engaged in various activities throughout the day to allow them to reflect on the life and work of Mother Cabrini. They participated in many discussions in their homerooms, watched the movie: *Cabrini*, played a game related to the challenges of language barriers, and got to gain insight from a guest speaker and our very own Sister Anita Marie. Sister Anita Marie shared her experience based on her mission work in Uganda. She spoke to the students regarding the sacrifice that missionary work entails and the treasures of life that are given up by those who commit to doing work for others. The students also got to hear from Ms. Julia Attaway who is the Executive Director of the St. Frances Cabrini Shrine in New York City. Julia worked previously as a freelance writer, editor, and marketer along with raising five children. She became passionate about the work of Mother Cabrini and soon that took over her life. She now spends days speaking to pilgrimage groups, writing devotions, and developing new exhibits. Her goal is to understand how we can draw closer to Jesus by learning about Mother Cabrini and asking for her intercession.

We thank Mr. VonHandorf, Mrs. Proudfit, Mrs. Lashua, Mrs. Price, Sister Maria Francine and Sister Anita Marie for dedicating so much time and energy into the planning of this day and enlightening us with the work and passion of a beloved Saint. Our theme this year encompasses the work and accomplishments of Mother Cabrini - she loved God, she loved and cared for others and she helped to change the world. May our girls know of the power of their actions, their passions and work to live out the NDA mission by becoming "women making a difference in our world."

## EXTRA FUN

### FOOD TRUCK DELICIOUSNESS

In conjunction with our Common Reader Day, our students were also offered the opportunity to purchase lunch from various food trucks. Chicken Mac, Marty's Waffles, and Wildside Experience offered our students many delicious options to add a bit more fun to our day. The cafeteria offered pizza to those who did not want to participate, so there was a plethora of choices for our students. Thank you to Ms. Hilbert, Ms. Meese and our Student Council for offering this fun and unique experience to our students.

PLEASE NOTE...

## LOVE THE TIMMERDING FAMILY

Words will never adequately express what the Notre Dame Academy community, faculty, and staff mean to us. Thank you for showering us with love, compassion, grace and kind gestures over the past few months. Throughout the journey of losing Sean, we have continuously been uplifted by the work of others which we know is the work of God.

September 13 is a day we will never forget as we celebrated the life of someone so special to us joined by so many from this incredible community. Thank you to the students, faculty and staff who joined us to celebrate the life of Sean. Thank you to Mr. VonHandorf, Mrs. Proudfit and Mrs. Kleier who rallied the students together to show support for both Lydia and Lisa. The pictures of the girls dressed in gray supporting the cause of "Go Gray for Brain Cancer," the pictures of the girls praying the rosary for our family, and the uplifting message will forever be remembered by the Timmerding family.

Finally, thank you to the administration, faculty, staff and community for generously taking care of us with a monetary gift that took our breath away. Due to your kindness and love, we can extend our gratitude to the staff of St. Elizabeth Hospice who took such great care of Sean in the facility for so long. Most importantly, thank you for reminding us of the bible verse, "Be strong, be brave, be fearless. You are never alone." Joshua 1:9

SUPPORT SCHOOL CHOICE

# VOTE YES ON AMENDMENT 2 THIS NOVEMBER

Amendment 2 will result in greater investment in education and WITHOUT taking funds from Kentucky's public school system Visit <https://covidio.org/YesOnTwo>.

## WHAT AMENDMENT 2 DOES

- ✓ Enable the General Assembly to provide increased resources for additional education opportunities in local communities
- ✓ Encourage healthy competition in education, improving quality and outcomes for students in public, private, and homeschool
- ✓ Create an opportunity for the legislature to consider school choice policies that will work best for Kentucky families
- ✓ Empower more families to seek education opportunities that more closely align with their own values and beliefs
- ✓ Recognize the shortfalls of a one-size-fits-all approach to education by encouraging innovation and choice for the good of students

## WHAT AMENDMENT 2 DOES NOT DO

- ✗ Eliminate the General Assembly's constitutional obligation to adequately fund public schools or take money away from individual counties or rural schools
- ✗ Close any public schools in the Commonwealth or decrease teacher pay
- ✗ Require the state to adopt a certain type of school choice program
- ✗ Increase government control or regulation over homeschool or private school instruction
- ✗ Require parents or private schools to accept school choice resources

**EVERY STATE** surrounding **KY** has a school choice program.
