

THE *nda* LIFE

Dear Parents and Guardians,

As we continue to enjoy the blessings of this fall season, I want to take a moment to reflect on both the joys and challenges we're experiencing together at Notre Dame Academy this week.

Today our community is mourning the loss of a beloved colleague, our Assistant Athletic Director and longtime Golf Coach, Karen Henderson. Karen touched the lives of so many students, parents, faculty and staff at NDA over the last 15 years. Karen had been courageously battling cancer the last few months and her strength, resilience and spirit have been a true inspiration to us all. Her passing is a sudden and profound loss for the entire Notre Dame Academy family. This morning as our faculty, staff, students, parents and community members gathered for a brief prayer service in her memory, we were reminded of the strength that comes from coming together as a faith community, supporting one another in prayer during difficult times. We are planning an additional gathering to honor Karen's memory and lift her family in prayer. We'll share the details as soon as they're confirmed.

On a brighter note, we came together yesterday to celebrate the dedication of our newly upgraded Buenger Sports Complex, a wonderful upgrade that will enhance our student-athletes' experiences and inspire pride in our community. It was a beautiful dedication ceremony where our Chaplain, Fr. Conor Kunath, blessed this world-class facility followed by a special Rosary procession led by our students. We are incredibly grateful for the generosity of our donors and the support that brought this vision to life, providing our students with a top-tier facility for years to come.

Tomorrow is Halloween, a day of fun and tradition at NDA, and yes, our students will be dressing up for the occasion. Please see the guidelines below to help everyone enjoy the celebration responsibly.

Weeks like this showcase both the joy and spirit of NDA along with the challenges, reminding us of the unique community we share—one that supports each other both in times of grief and in moments of celebration, always grounded in our faith.

Have a great week!

In Notre Dame,

Mr. Jack VonHandorf

In Loving Memory

IN LOVING MEMORY COACH KAREN HENDERSON

It is with deep sadness that we share the passing of our beloved Assistant Athletic Director and long-time Golf Coach, Karen Henderson. Karen, who had been courageously battling cancer, passed away unexpectedly yesterday. Known for her kindness, strength and unwavering dedication to our students, Karen was a cherished member of the NDA family. Her impact on students, faculty and staff over her many years with us will be remembered always. Please keep Karen's family, friends, and our NDA community in your thoughts and prayers during this difficult time.

We are planning an additional gathering to honor Karen's memory and lift her family in prayer. We'll share the details as soon as they're confirmed. May she rest in peace, and may perpetual light shine upon her.

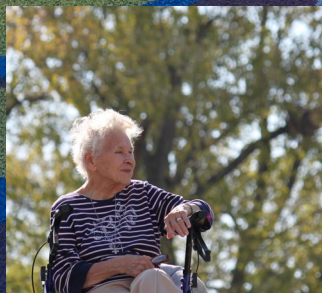

NOTRE DAME ACADEMY

Buenger Sports Complex Upgrade

Yesterday was an unforgettable day at Notre Dame Academy! We celebrated the incredible upgrades to our Buenger Sports Complex with a beautiful dedication ceremony.

Our community gathered to honor the generosity of our donors, including the Clem and Ann Buenger Foundation, and to bless this world-class facility with a special Rosary procession led by our students. This upgraded space will empower our student-athletes to train, compete, and excel with pride and safety for years to come.

Check out highlights from today's ceremony and witness the spirit of NDA in action [HERE](#).

Presented by

Dr. Mandy Sanchez

Director of Programming at Culture Reframed

Sponsored by the

Diocese of Covington Offices of Safe Environment and Catholic Schools

Wednesday, Nov. 6, 2024

Since 2000, the internet has become the main vehicle for porn, and hardcore porn is just a click away — it is free, violent, and based on the degradation and abuse of women and children. The proliferation of the smartphone, together with the growth of teen-targeted social media sites, has opened up yet more avenues for teens to access hardcore porn. This presentation will explore the most popular social media platforms accessed

by young people today, linking the social media, and porn industries and the harmful effects of their exposure on young people.

A must-see presentation for anyone who cares about children and the vulnerable in our world today.

VOTE YES ON AMENDMENT 2 THIS NOVEMBER

Amendment 2 could lead to real benefits for teachers — in all surrounding states that have school choice, teacher pay has increased. Teaching satisfaction increases also when students can be in the school of their choice. Amendment 2 allows for meaningful conversations about the freedom for a parent to choose the best fit for their child when it comes to education!
Visit <https://covidio.org/YesOnTwo>.

WHAT AMENDMENT 2 DOES

- ✓ Enable the General Assembly to provide increased resources for additional education opportunities in local communities
- ✓ Encourage healthy competition in education, improving quality and outcomes for students in public, private, and homeschool
- ✓ Create an opportunity for the legislature to consider school choice policies that will work best for Kentucky families
- ✓ Empower more families to seek education opportunities that more closely align with their own values and beliefs
- ✓ Recognize the shortfalls of a one-size-fits-all approach to education by encouraging innovation and choice for the good of students

WHAT AMENDMENT 2 DOES NOT DO

- ✗ Eliminate the General Assembly's constitutional obligation to adequately fund public schools or take money away from individual counties or rural schools
- ✗ Close any public schools in the Commonwealth or decrease teacher pay
- ✗ Require the state to adopt a certain type of school choice program
- ✗ Increase government control or regulation over homeschool or private school instruction
- ✗ Require parents or private schools to accept school choice resources

EVERY STATE surrounding **KY** has a school choice program.
